

## Pictures From Home

Give cheer to the boys waiting in camp by sending them pictures from home. There are likely to be some tedious homesick days down there and a little cheer up in the way of photographs of the home folks and the home doings will do them a lot of good.

And some day when you want to give something a little more substantial send along a vest pocket KODAK and ask your Soldier Boy to send pictures to you.

## When Croup Comes Treat Externally

The old method of giving drugs to children with croup is wrong and harmful. Try the external treatment. Vicks Vapo-Rin. Put a little over the throat and chest. The vapor, released by the body heat, loosens the choking phlegm and eases the difficult breathing. A bedtime application assures sound sleep. 25c, 50c, or \$1.00.

## RED CROSS NOTES

Too much praise cannot be accorded the people of the Second Township for the generosity and great interest they have displayed in Red Cross work for the Chowan Chapter. The meeting at Elm Grove exhibited a degree of earnestness and enthusiasm which might well be followed by the people of Edenton and the County generally. The thanks of the Chapter are extended to Mrs. Elton Forehand, the chairman of the committee on membership and those who so ably assisted her.

The departure for the army on Wednesday of twenty three of Chowan's fine specimens of manhood and those who have preceded them should arouse now even greater interest in the work.

## Where Has My Money Gone?

A question often asked and one that has a ready answer in a check book. If you own a check book on the Bank of Hobbville you can always tell where your money has gone, and, by reviewing your canceled checks occasionally, tell where you can "draw in" a little on your expenditures. More than that: If you administer your funds through a checking account with this bank you'll find it much easier to accumulate a reserve than if you handle it in currency.
