One of the
times to say
PEPSI-Cola

Just when you get home in the evening, after a long, hot, sticky day—and you're tired and thirsty—THAT'S the time to say "PEPSI-Cola" to "friend wife."

That long, thin, tinkly, "ice-berg" glass just seems to sharpen up appetites for dinner and gee! how it does drive thirsts away!

Just try it—any fountain serves it—and any grocer can leave a case at home.
