

**SAVE IT**

THE natural instinct of an animal leads it to secrete its food treasures for future use. Experience teaches men to save their money for the day they are certain to need it. It is never too late to begin. To the young, to the middle-aged and to those of mature years, the best advice in regard to money is "save it." Your money will be safe in this savings bank.

The new Methodist church in Newland will be dedicated Sunday morning, Nov. 18th.

**Do Your Shopping and Shipping Early**

More of "Our Boys" will be away from home and family this year at Christmas time than ever before in our history.

On account of the enormous volume of War materials and supplies, in addition to the usual large movement of Holiday shipments, it will require from now on every available baggage, well and express car that can be put into service.

To help the situation and insure Christmas packages reaching their destination on time and thus avoid disappointment the public is earnestly requested to ship their Christmas packages (whether by mail or express) at least ten (10) days or two weeks before Christmas.

This action will not only be appreciated by the Government, but by the Railroads, whose already heavy burdens they are trying to carry with promptness and dispatch.

The roof is the last to go on your building; but the selection of an efficient and economical roof is of first importance. If you will use

**Certain-teed Roofing**

on your building you will get the most efficient roof, and will cut down the cost of the roof materially.

**CERTAIN-TEED Roofing** is economical to buy, inexpensive to lay, and it costs practically nothing to maintain. It is weathertight, fire retardant, clean, sanitary, and gives the utmost roofing service over a period of years. **CERTAIN-TEED** is guaranteed for 5, 10 or 15 years, according to thickness (1, 2 or 3 ply).

The quality and merit of **CERTAIN-TEED** have made it the preferable type of roofing for office buildings, hotels, factories, stores, warehouses, garages, farm buildings, etc. If you are building it will be to your interest to investigate **CERTAIN-TEED**. There are many roll roofings, but only one **CERTAIN-TEED**. As it costs no more to lay a **CERTAIN-TEED** Roof than it does to lay a poor roof, it will pay to get the best, and save on renewals and upkeep. You can't tell the quality of roll roofing by its appearance, or by feeling of it; your only safety is in the label. Be sure it is **CERTAIN-TEED**.

**Certain-teed Slate-Surfaced Asphalt Shingles** are supplanting wood and slate shingles for residences. They cost less, are just as good looking, wear better, won't fall off, buckle or split. They are fire resistant, and do not have to be painted or stained.

**Certain-teed Paints and Varnishes** are made of the best quality materials and mixed by modern machinery to insure uniformity. Made for all uses and in all colors and finishes. Any dealer can get them for you. With paint and varnish, as with roofing, the name **CERTAIN-TEED** is a guarantee of quality and satisfaction.

Misses Nan Leach and Boyd Story called on Mrs. C. G. Lowe Sunday afternoon.

**Death of a Little Child.**

Little Calvin Alphonso Elliott, son of Anthony and Gladys Elliott, age 5 months and 8 days, passed away on November the 9th to be with Jesus forever. The funeral service was conducted by Rev. J. M. Smith at Bagley Swamp church and his little body neatly laid away in the country graveyard near the home of Mr. A. J. Jordan. The loss to mother and father is his eternal gain. His sufferings are all ended, his spirit safely housed in the City of Rest. May God bless and comfort the hearts of mother and father and help them to prepare to meet their loving baby where partings will be no more. "Sleep on in thy beauty, Thou sweet angel child, By sorrow unblighted, By sin undefiled. Like a dove to the ark, Thou hast flown to thy rest, From the wild sea of strife, To the home of the blest."
