

STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

MRS. MARY J. COPELAND DEAD.

Last Wednesday morning Mrs. Mary J. Copeland, widow of the late Elihu Copeland, departed this life after a short illness. A few days before she was stricken with paralysis from which attack she never rallied enough to speak understandingly. Mrs. Copeland was in her 78th year. The funeral service was held Thursday evening in the home. Rev. S. A. Wood gave a brief but beautiful message from the text "I shall be satisfied when I awake in His likeness." Elizabeth White also spoke. Appropriate hymns were sung. Many beautiful floral designs covered the casket. The body was laid to rest in the family burying ground on the old homestead. She leaves three daughters, Mrs. John H. Ward, Belvidere; Mrs. William Jakeman and Mrs. E. G. Privott of Suffolk, Va.; six sons, Messrs. Lucius Copeland, Hertford; Cale Copeland, Sunbury; Oliver Copeland, Richmond, Va.; Xenophon Copeland, Edenton; Herman and Hubert Copeland of Tyner, besides other relatives and friends to whom we extend our sincere sympathy in their lonely hour.

Colds Relieved Without Dosing

If you have tried "Internal" medicines without success, we want you to try the "External" treatment—Vick's "Vapo-Rub" Salve. Apply hot wet towels over the throat and chest to open the pores, then rub Vick's in well and cover with a warm flannel cloth. The body warmth releases healing vapors that are inhaled with each breath, and, in addition, Vick's is absorbed through the pores. 50c, 75c, or \$1.00.
