WARD AND MARTIN IN NEW MAIN ST. HOME

Ward's Barber Shop and News stand and Martin's Barber have "joined hands," the new concern now being located in the Whitmire building on Main street, next door to Long's Drug store.

Mr. Ward will have charge of the news stand, which is one of Brevard's best assets, month in and month out, his line of reading material being among the best.

Mr. Martin will be in charge the barber shop business, and will have associated with him W. E. Head, Ed Owenby and Floyd Barnes.

LARGE CROWD HERE FOR SINGING MEET

Brings Total Sum of Two Dollars.

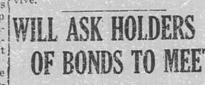

One of the largest crowds ever to assemble in the Brevard court house leaders from other sections.

While the attendance was not so rendered good music. Features of the consideration. day were the leading of the entire class by little Miss Eva Israel, of Rosman, and solo work by little Miss Ruth Lewis, also of Rosman.

Comical, to say the least, was an attempt by President W. R. Lewis, dut the afternoon session to col-lect small sum due on the piano Lewis made the announcement that a collection was about to be taken, and immediately there was a general exodus of the large crowd, over half of the number estimated at around six hundred taking this as one of the signs of the time for leaving. A total of \$2.18 (was collected against a debt

of around \$25.00. Mr Lewis states that the amount already paid has for the most part been given by individuals who are interested in seeing the convention held regularly, and that in no in-stance has a general collection taken A. Sunday

New Method of Scalding Decided Improvement Over Old Style Used.

PENROSE, Feb. 1-C. W. Talley against whose weighing over 500 pounds and other an arbitrary manner of impose property any special assessment had large ones. Mr. Talley and his som

Holland, handled the 500 pennder easily. In doing so he made a contrivance similar to an old time well sweep-two upright posts were planed in the ground and a timber mor-

tised or nailed across the top of these. A pole for leverage was suspended by a short chain from the cross piece. The scalding barrel was placed immediately under the HEAD OF JR. ORDER of the chief advantages of scaling thus is an even scald, as the hog is not lying on the side of the bar-rel as in ordinary methods. By usderick or crane, one person can of lift the largest hog from the barrel and place it out conveniently scrape.

Mr. Talley is now making more riculture teacher in Brevard high oun- corn on his farm than was formerly the made in his father's life time on the same farm and another of equal Transylvania Council Junior Oracrenge. And he plans to make more by cutting his acreage again, rotat ing crops and keeping live stock. Has planned now, his crop rotation for the next three years or more Mr. Talley is an entresiastic member of the 5-10 Farm organiza-tio and the Industrious Farmers chut of Boyd township.
