MEDICAL ADVICE If you want to keep the bowel action regular and comfortable... make constipated spells as rare as colds... avoid danger of bowel strain—use a liquid laxative. Can constipation be overcome? "Yes!" say medical men. "Yes!" declare thousands who have followed their advice and know. You are not apt to cure your constipation with salts, pills and tablets, or any habit-forming cathartic. But you can overcome this condition just by gentle regulation with a suitable liquid laxative. Dr. Caldwell's Syrup Pepsin has the average person's bowels just as regular as clockwork in a few weeks' time. Why Hospitals use a liquid laxative The dose of a liquid laxative can be measured. The action can be controlled. It forms no habit; you need not take a "double dose" a day or two later. Will not irritate kidneys.

For Extra-Fast Relief Demand And Get GENUINE BAYER ASPIRIN Because of a unique process in manufacture, Genuine Bayer Aspirin Tablets are made to disintegrate—or dissolve—INSTANTLY you take them. Thus they start to work instantly. Start "taking hold" of even a severe headache; neuralgia, neuritis or rheumatic pain a few minutes after taking. And they provide SAFE relief—for Genuine BAYER ASPIRIN does not harm the heart. So if you want QUICK and SAFE relief see that you get the real Bayer article. Always look for the Bayer cross on every tablet as illustrated, above, and for the words GENUINE BAYER ASPIRIN on every bottle or package.
