

REGISTRATION BOOKS OPEN THIS SATURDAY

Those Who Have Moved Voting Precincts Must Have Certificates

Registration books will be open at the various polling places of the county on Saturday of this week for the registration of voters for the election on November 7th.

The books will only be open one day, and only those who have moved from one voting precinct to another, in the same township or townships to the county since last registration, or have become of age since the general election last fall, are required to register.

In case where a voter has moved from one voting precinct to another in the same township since last election, he moving prior to July 7th this year, it will be necessary to procure a certificate from the registrar of the old precinct showing that he has been removed from the precinct four months prior to date of election, this certificate to be presented to the registrar of the voting precinct in which the voter has lived four months before he will be entitled to registration. Anyone who has not lived for four months in the new precinct will vote in the precinct from which he moved less than four months prior to the election on Nov. 7, and will not be required to register.

This does not apply to Boyd township and Dunn's Rock township as these two townships have only one voting precinct each. This is a new ruling enacted by the legislature of 1933, and is a change from old methods of registration. Instructions to this effect were given by Ralph W. Lyday, chairman of the county board of elections at a meeting of election officials on Tuesday of this week, and is being published at his request so that voters of the county may be informed as to status of the new registration.

MASONS TO CONFER 2ND DEGREE FRIDAY NIGHT

Regular communication of Dunn's Rock Masonic lodge will be held Friday night at 8 o'clock in the Hall. The second degree will be conferred by the degree team. All members are urged to attend. A cordial invitation is extended to all visiting Masons.

MRS. J. MAXWELL TO HEAD DAHLIA CLUB

At a meeting of the Transylvania Dahlia club held on Tuesday evening of last week Mrs. John Maxwell was elected as president of the club for the ensuing year, with F. E. Shuford vice president; John Ashworth, secretary; Mrs. Marcus Williams, treasurer.

Officers who served the past year were Miss Julia Deaver, president; Mrs. John Maxwell, vice president; John Ashworth, secretary and treasurer. It is the aim of the club to stage its show at which all people of the county will be invited to enter dahlias, early next fall, possibly during August.

Lewis Hamlin Being Mentioned For Chairman State Executive Committee

Lewis P. Hamlin, for years active in fraternal and political circles in North Carolina, is being prominently mentioned as chairman of the state Republican executive committee, with leaders in the party, especially in the eastern section of the state, offering support of the Brevard man.

Mr. Hamlin, when interviewed by The Times, refused to commit himself other than to say that "several of the Republican leaders have approached me recently in regard to the matter and have volunteered their support."

Mr. Hamlin said that while he would appreciate the honor of serving the Republicans in this important

WANT AD RESULTS ARE PLEASING ADVERTISERS

Unsolicited testimonials prove conclusively just what we have been preaching for months—that it pays to advertise in THE TIMES.

Harry Loftis, genial mail carrier on Route One, spent 75 cents for three want ads and sold seven heifers without any trouble.

Then our good friend, C. M. Sniard, an expert on potatoes, spent a quarter for one want ad and got several new customers for his storage house.

Victor Sigmon declares he got the best results of any—he advertised a pony for trade for a cow in last week's paper, and Thursday afternoon had made the trade.

A want ad in THE TIMES will pay you too.

FARM SCHOOL TEAM TO PLAY SATURDAY

Brevard High Eleven Will Be Host To Fast Bunch On Local Gridiron

Farm School football team will play the Brevard eleven on the local gridiron Saturday afternoon at 3:30 o'clock, with both teams said to be on an equal footing. The visiting team has played several games this fall that give them a little edge on Brevard, while the local players are strengthening their line and backfield with several players who have been kept out of the game the past two weeks.

The game is to start promptly at 3:30, according to Manager Edwin English, some delay having been necessitated at the game here last Friday which drew unfavorable comment. Tickets will be on sale Thursday, Friday and Saturday at ten cents each for children and pupils and 25 cents for adults.

JUDGE ENGLISH'S DEER IS STILL BEST REPORTED

Brevard sportsmen are "making hay while the sun shines" in the deer hunting line, with several already having gotten their two bucks. The large deer reported in last week's paper killed by Judge English still tops the stack, his fine kill weighing 112 1-2 pounds minus head and neck, hide, legs from the knees down and all internal organs.

MRS. D. PLEMMONS IS CALLED IN DEATH

HOT SPRINGS, Oct. 21.—Funeral services for Mrs. Dewey Plemons, 42, who died at 7:55 o'clock this morning at her home here following an illness of 10 days, was held at 11 o'clock Sunday morning at the Hot Springs Methodist church with the Rev. Charles W. Clay and the Rev. P. T. McFee officiating. Burial will be at Rosman Monday afternoon at 2 o'clock.

Mrs. Plemons was for 12 years head of the primary department of the Hot Springs school. She taught in the public schools for 21 years.

Mrs. Plemons contracted a cold which developed into influenza and pneumonia. Her illness was complicated by blood poisoning which resulted from a cut on a knee which was received in a fall.

Surviving are her husband; her father, W. N. Gillespie, and a sister, Mrs. E. H. Henson, both of Rosman.

Pallbearers were W. L. Rickard, G. C. Long, O. W. Grubbs, W. T. Davis, J. J. Seison and F. L. Fowler.

Mrs. Plemons, who was Miss Della Gillespie before her marriage, taught for several years in the Rosman school and other schools in the county.

Last rites were conducted Monday at the home of her father, the Rev. W. N. Gillespie, by Rev. A. J. Maulley and Rev. J. E. Burt, interment being made in the Gillespie cemetery, near the home of her father.

Diphtheria Clinics Will Be Put On In Schools By Kiwanis Club

Brevard Kiwanis Club has made arrangements to put on four diphtheria clinics in the county schools for indigent children, with hopes of completely stamping out the dread of this disease in the county.

Clinics will be held at Brevard Grammar and Little River schools on Thursday afternoon, Nov. 2, at two o'clock, with clinics being held at Rosman and Lake Toxaway schools on Friday afternoon, November 3, at two o'clock.

All children in the county whose parents are unable to pay for the two treatments necessary for immunization against diphtheria are expected to be brought to one of the four clinics to be held at Lake Toxaway, Rosman, Brevard and Little River.

Over nine hundred children between the ages of 6 months and twelve years were vaccinated last year, with result that diphtheria cases have been materially lessened in the county, and it is the aim of the Kiwanis Club that this peril shall be definitely stamped out in Transylvania.

Doctors of the county are being asked to assist in the work of giving the treatments to the children, and clubs and Parent-Teacher associations are expected to furnish registrars and assistants at each of the two clinics to be put on in the four schools.

PROHIBITION MEETS DRAW FEW PEOPLE

Newell, Ewbanks and Ford Heard Here Over the Past Week-End

Dry and wet meetings held in Brevard over the week-end failed to bring many people out, a hundred being average crowd for the two speakings Saturday afternoon and evening, with around 150 being present at the Baptist church Sunday afternoon.

Jake F. Newell of Charlotte spoke for the dries Saturday afternoon, with approximately one hundred in attendance. The meeting was presided over by Mayor J. C. Wike, who introduced the speaker.

E. W. Ewbanks, of Hendersonville, spoke for the wets Saturday night, with around one hundred in attendance. Mayor Wike again presided at the meeting, introducing Eck L. Sims, candidate for the wets, who in turn introduced W. E. Breese, who introduced the speaker of the evening.

An interesting program at the Baptist church Sunday afternoon was given by members of the Hendersonville County W. C. T. U., together with Roy Bennett and the Rev. W. H. Ford, pastor of the First Baptist church of Hendersonville. The Rev. J. K. Henderson, presided over the meeting.

GALLOWAY IS CHAMP AT JACKSON SPRINGS

Jackson Springs, Oct. 18.—Lee G. Galloway, of Rosman, has been officially crowned champion checker player of the CCC camp here, as well as the entire surrounding community.

Mr. Galloway met all comers in the tournament just ended, both campers and townspeople playing in the meet. Checkers are an outstanding art of the camp entertainment, and there are always plenty of challengers for Galloway or anyone else who feels superior.

ROCKY HILL REVIVAL CONTINUES THIS WEEK

Revival services which have been in progress at the Rocky Hill Baptist church the past ten days will continue through next Sunday, according to announcement of the pastor, Rev. C. W. Hilemon.

Services are being held twice each day, at 11 o'clock in the morning and 7:30 at night, with the Rev. A. L. Vaughn, former pastor of this church, doing the preaching. Excellent sermons are being delivered by the Rev. Mr. Vaughn, and each service is marked with good attendances.

The special series of religious meetings began on Sunday, October 15, and it is felt they are resulting in much good to that community.

SAM F. WASSON DIES AT STATE HOSPITAL

Sam F. Wasson, 81, well known resident of Transylvania county, died Thursday night at the State Hospital after an illness of several months. Funeral services were held the following day.

Mr. Wasson had made his home with Mr. and Mrs. Harrison Case for years, and had numerous friends in Brevard and at Pisgah Forest, where he was connected for some time with the old Brevard Training company.

Medicine for the clinics is being furnished through the State Board of Health saving the club and interested citizens the expense of purchasing the costly fluid which cost in the neighborhood of \$150.00 last year.

A letter written to the State Board of Health by Dr. C. L. Newland, chairman of the underprivileged child committee of the Kiwanis club asking for a contribution toward putting the clinic on here this year was answered by statement that the state would be glad to give the medicine for immunization of indigent children without cost of the club, and especial mention was made by the department of the fine work that had already been done by the Kiwanis in this line.

Teachers of the county are requested to announce in class rooms, dates and information in regard to the clinics which will be held on Thursday and Friday afternoons of next week, stressing the fact that all children between the ages of six months and twelve years are to be given the treatment if they present themselves at the appointed places. Due to state ruling which went into effect in July, school buses cannot be used for transportation this year as they were last year, parents being required to bring or send their children to the clinics.

FIFTH SUNDAY SING MEET HERE SUNDAY

Classes From Many Sections Expected To Attend The All Day Program

Fifth Sunday singing convention, always a big drawing card here, will be held on Sunday, Oct. 29, with a record breaking attendance expected. Announcement is made by W. A. Lewis of Rosman, president of the association, that singers are coming from Pickens, Easley, Greenville, Henderson and Buncombe, with several classes and special numbers slated from this county.

The program will start at ten o'clock with intermission at the noon hour for lunch, the afternoon session lasting until three or four o'clock.

MRS. PERRY KING DIED AT HOME IN OKLAHOMA

News was received in Brevard Tuesday of the death of Mrs. Perry King, 69, who died Saturday at her home in Oklahoma, following an extended illness.

Mrs. King, a native of Transylvania county, was formerly Miss Lou Nicholson, a sister of M. M. Nicholson and Milan Nicholson, of Brevard.

Her husband died the past January, and no children survive.

MONEY FOR DEFENSE IS APPROPRIATED

WASHINGTON, Oct. 25.—A \$25,000,000 allotment for national defense, to include several hundred additional fighting planes and a \$19,000,000 army motorization program, was approved Saturday by the public works administration.

In addition, \$6,412,690 was set aside for other federal projects in the effort to increase employment. These were scattered widely throughout the nation.

The \$15,000,000 for aviation construction is to be appointed between the war and navy departments on a basis as yet undetermined. If evenly divided, experts said each branch would obtain approximately 2,000 planes.

This would be roughly half the number the navy is seeking. More than 100 will be needed for the new aircraft carrier Ranger when it is launched and nearly 300 for the vessels to be constructed in the \$238,000,000 building program, navy officials say.

With its \$10,000,000 allotment, the army will substitute motor power for horse and mule power in the non-combat branches of the service. Officials said they did not know how the money would be spent, since it was considerably less than the amount sought and they would have to shift their plans.

LAKE TOXAWAY P. T. A. IN INTERESTING MEET

LAKE TOXAWAY, Oct. 25.—The Lake Toxaway P. T. A. met Friday afternoon at 2:30 for their first regular meeting. After a short program by the children, Mrs. R. F. Williams gave an interesting and instructive talk on linking home and school together.

The association adjourned to meet again on Tuesday afternoon, November 7, at three-thirty, with regular monthly meetings to be held in the first Tuesday afternoon of each month during the remainder of the school year.

WE'RE REMINDING YOU: PAY YOUR SUBSCRIPTION

Bills are being sent to several hundred subscribers whose time expires the first of November and those who have become a little delinquent with the home paper, as a reminder that we will appreciate a check for another year.

Right now, while you are thinking of the matter, sit down and send us a check... it will be only a small matter for each of our subscribers who are behind and whose time expires with the first of November, but it will mean quite a bit to us.

We're sure you'll cooperate... thank you.

ROLL CALL TO BE PUT ON HERE NEXT WEEK

Red Cross Has Done Much Constructive Work In County Past Year

Plans are being made for staging the annual Red Cross Roll Call in Transylvania during the week of November 13 to 20 with a number of people and clubs already volunteering to assist in making the drive a success in the county, according to a statement by Jerry Jerome, Roll Call chairman, on Wednesday.

Tentative plans call for a complete coverage of the county with teachers and community leaders in each section of the county being called on to help put the drive across.

Particular stress is laid by Red Cross workers on the fact that Transylvania county can well give this year till it hurts, taking into consideration the vast amount of food, clothing, and medicinal supplies that have been sent into the county during the past year by and through the Red Cross.

Low estimate on the supplies received for distribution among needy people in this county during the year will reach more than five thousand dollars, it is pointed out, and there is no reason why all thinking people should not be doubly interested in seeing the Red Cross Roll Call put over in a big way here this year.

Announcement of workers and complete plans for staging the Roll Call will be made within a few days.

TEACHERS TO MEET SATURDAY MORNING

Transylvania teachers will meet in Brevard on Saturday morning of this week at Brevard high school, the meeting to begin at ten o'clock.

Program for the day will include a discussion of the change now effective in teachers salaries, and a discussion on teaching the new geography. All teachers of the county are expected to attend the meeting here Saturday morning.

CONNESTEE HONOR ROLL GIVEN FOR THE MONTH

Honor roll for the Connestee school as reported by Principal S. P. Verner includes the following:

Primary department—for scholarship: Roland Glazener, Betty Haged, Louise Raines, Roland Glazener, Gertha Landreth, Betty Haged, Ola Masters, Elree Morgan, Opal Raxter, Billy Haged.

Des Moines, Ia.—Midwestern farmers dumped milk and turned back shipments of livestock to market on Wednesday in an effort to enforce the strike called by the National Farm Holiday association. The farm strike is said to have sympathy of labor unions in this section.

Boylston and Pisgah Forest Roads To Get Attention, Says Chairman Jeffress

Definite promise was made here Monday by Chairman E. B. Jeffress of the State Highway Commission, that the Boylston road would immediately be completed ready for surface treating, and that preliminary work would be started on highway 284.

Mr. Jeffress, accompanied by several members of the State Highway Commission, spent some time here Monday, talking to interested citizens, later going by way of 284 to Asheville.

Stone in sufficient quantity to bring the Boylston road up to standard for surface treatment will be placed on the road, Mr. Jeffress indicated, with surface treatment probably being delayed until spring.

In the matter of the Pisgah National Forest road, the chairman said that federal funds were now in the hands of the highway department to go ahead with the surveys and preliminary work, and that he felt assured that the money with which the road would be completed could be secured through federal allotment with the convening of congress.

Frank Miller, of Haywood county, a member of the State Highway Commission, and an interested worker in behalf of completion of the scenic route across Pisgah Forest, spoke enthusiastically of the chances to have the important link completed, and urged Transylvania county citizens to interest themselves in the project.

PATTON HAS CHANCE TO BE U. S. MARSHAL

Cooper Failed To Satisfy Department Of Justice For The Place

Announcement in The Asheville Citizen of last Sunday to the effect that McKee Cooper and Marcus Erwin in all probability will not be confirmed for the offices of marshal and district attorney in the western district of North Carolina caused friends of T. E. Patton Jr. to become active in again placing his name before Senator R. E. Reynolds as appointee for the office of marshal.

A concerted effort was made to influence Senator Reynolds to recommend the Brevard man early this summer, with no avail, as the senator stated that he already had his mind made up to recommend McKee Cooper of Asheville for the post.

Prominent people over the entire state interested themselves in furthering Mr. Patton's cause, and it is now believed that the popular Transylvania county resident is outstanding for the position.

Following is excerpt from the Asheville Citizen story: "WASHINGTON, Oct. 21.—Department of justice, investigators have been sent to Asheville to check up on the records of Marcus Erwin and McKee Cooper, Senator Robert R. Reynolds' nominees for United States attorney and marshal in the Western North Carolina district, and have recommended that the appointments not be made on the ground that both are not qualified, it was reported here today.

"Questioned about the report before he left with Mrs. Reynolds for Asheville today, Senator Reynolds refused to make any comment except to say "My recommendations are before the department of justice and I have nothing to say."

"The department regards as strictly confidential any information its investigators obtain regarding persons recommended for appointment and for this reason nothing official can be had regarding the recommendations made in the case of Erwin and Cooper. Investigations have been made as reported, but this is an orderly procedure. No person is appointed by the department of justice until his record has been thoroughly examined."

COMPLIANCE BOARD SET UP IN COUNTY

NRA compliance board for this county was set up last Friday afternoon, with Randall W. Everett, of Brevard, being elected chairman of the board. Meetings will be held on each Wednesday afternoon at two o'clock in the offices of R. L. Gash in the Broese building.

Represented on the board are Tom Brooks and A. H. Harris, representing employees; Sid Barnett and W. W. Crossborn, representing employers; Mrs. O. H. Orr, representing consumers; and R. L. Gash, representative of the legal profession, and temporary chairman until the election of Mr. Everett as permanent chairman.

Any violation of the NRA code or any grievances are to be submitted to the board for their consideration, not later than Wednesday noon of any week, the matter to be taken up at the regular weekly meetings held each Wednesday afternoon at two o'clock. Complaints are required to be submitted in writing and mailed or left at the office or with the chairman. Blank forms for filing complaints can be secured from Mr. Gash or Mr. Everett.

Alleged violations of codes will be thoroughly gone into by the compliance board at their meetings on each Wednesday afternoon, and differences between employer and employees or unfair competition practices will be investigated and settled in an amicable manner by the board, where such matters can be settled satisfactory, according to methods being pursued in other localities. Failing in a satisfactory settlement, the local compliance board will make their report to Washington, where final action will be taken.
