

## D. M. SHOOK KILLED IN AUTO ACCIDENT

### Lieut. Carmack of Gloucester CCC Camp Strikes Man On Highway 280

Coroner J. B. Brooks, of Henderson county, announced Monday that an inquest into the death of Daniel M. Shook, 35, farmer of the Mills River section, who was killed on the Mills River road late Sunday afternoon when struck by an automobile, was to be held Tuesday afternoon.

Lieutenant J. S. Carmack, a native of Bristol, Tenn., and attached to the Gloucester CCC camp in Transylvania was released on a \$5000 bond Monday afternoon.

Funeral services for Shook were held Tuesday afternoon at 2:30 o'clock at Fanning's Chapel, in the Mills River section.

Shook, Paul Bryson and Arthur Muse were walking along the road in the direction of Asheville when the accident occurred. Carmack was driving in the opposite direction. Bryson was knocked down and suffered minor injuries.

The accident took place within 100 yards of Shook's home, just south of the Henderson-Buncombe line.

Shook resided with his mother, Mrs. C. M. Shook. He was unmarried. He is survived by his mother, a brother, W. P. Shook, mail clerk on the Hendersonville-Toxaway railroad line and two sisters, Mrs. T. O. McCall, of Hendersonville, and Miss Joyce Shook, of Fairfield.

## DADDY DEER OF THEM ALL KILLED LAST WEEK

The Daddy Deer of Transylvania county was reported killed by Ralph Stacy of Route Three last week, the prize buck weighing over two hundred pounds after its head, hoofs, hide and entrails had been removed.

The kill was made on Three Ridges, the four-point prize having been target on many occasions during the past several years of hunters who longed for the wide spreading antlers to adorn the family mantel-piece.

## Many Take Exams

Thirty-nine Transylvania residents took examination Saturday at the Brevard high school. This was the second examination to be held in the county, around sixty taking the examination in the first call.

Workers from the two groups will be selected for work on the Tennessee Valley project in Cold Creek, those selected being expected to move with their families to the village that is now under construction there.

## SPECIAL PICTURE FOR WEDNESDAY-THURSDAY

A special Thanksgiving picture will be shown at the Clemson Theatre on Wednesday and Thursday of this week, with Marie Dressler and Lionel Barrymore featured in "Christopher Bean." A first run picture, "Christopher Bean" has had big runs in some of the principal cities of the country, Brevard being one of the first smaller towns to have the privilege of seeing this picture.

## WORKERS ADDED IN LOCAL C.W.A. OFFICES

J. A. Miller of Brevard has been designated as disbursing agent for the Transylvania Civil Works Administration. Mr. Miller having started on his work Friday of last week. He will be an all-time employer of the local administration, being also project supervisor working out of the office of W. A. Wilson.

Mrs. Florence Ryan of Asheville, a trained case worker, has also been added on the force of the local office, working under the Emergency Relief Administration. She assumed her duties Monday.

Frank C. King and Miss Margaret Bosse have been added as extra personnel in the office of Dewey Gravelly, Re-employment supervisor, the vast amount of work entailed in the conduct of this office necessitating the additional employes.

Around seven hundred people have registered in the local Re-employment office, according to Manager Gravelly, three hundred of these having registered within the past week.

Projects which will take care of the first quota of 219 workers have been made up and submitted to the Raleigh office, majority of the work projects submitted being highway construction in various sections of the county, made up by P. L. Threlkeld of the State Highway Commission.

## PENROSE P. T. A. HOLD INTERESTING MEETING

The Penrose Parent-Teacher association had a good attendance at the regular meeting last Tuesday night.

Supt. G. C. Bush was the speaker of the evening. He explained the workings of the present school system and the needed cooperation of parents and patrons of the school. The primaries and Penrose male quartet supplemented the program.

Report on feeding the undernourished children was discussed. Those who are doing this phase of the work have responded splendidly for the past month, it was learned. An executive meeting this week will discuss further plans and changes in the work.

## T. THUMB WEDDING HERE ON DEC. 7TH

Forty five or fifty little folks of Brevard will appear in a Tom Thumb Wedding Thursday night, December 7, at the Brevard high school auditorium at 8 o'clock. The event is sponsored by the local chapter Eastern Star.

The usual wedding characters will participate in the entertainment, including the minister, bride and groom, maid of honor, bridesmaid, father and mother, bridesmaids, ushers, guests and flower girls. The little girls taking part in the ceremony will be in full evening gowns, while the "little men" will appear in full evening dress suits.

The wedding procession, the ceremony and the post ceremonial procession will all be featured in solemn and dignified manner by charming little tots of the town. The names of those taking part will be given in next week's Times.

Included on the evening's program will also be a wedding dress review, participated in by adult residents. All those who have wedding dresses of former times to wear or to loan for this occasion are requested to communicate with Mrs. Harry Sellers.

An admission of ten and twenty cents will be charged for the evening's entertainment.

## STROUB MACKEY IS DEAD AT AGE OF 89

(Greenville News, Nov. 24)

Stroub T. Mackey, 89, one of the oldest citizens of the county, died at 8:15 o'clock last night at the home of his son, W. E. Mackey, Jr., at old Cleveland place on the Piedmont road. Mr. Mackey, in spite of his advanced years, was active until Sunday when he became sick. He moved with his family to this county about 40 years ago from North Carolina.

He was a member of the Piedmont Presbyterian church and the oldest member of the church from the standpoint of age. His wife, Mrs. Lou Mackey, died four years ago, but he is survived by a large family, including three sons, T. H. Mackey and J. B. Mackey, of Williamston, and W. E. Mackey, Jr., of Piedmont; Mrs. Toy Bishop, of Piedmont, Mrs. W. M. Odom, of Piedmont, and Mrs. J. E. Bryson, of Greenville; 37 grandchildren, 27 great grand children, and one great grandchild. He has one brother, H. G. Mackey, of Brevard, and one sister, Mrs. Jane Allison, of Brevard, who survive him.

Mr. Mackey was a Confederate veteran, having served through the four-year period of the war. After the surrender, and upon his discharge at Petersburg, Va., he traveled afoot to his North Carolina home. During his active years, he engaged in farming and in public works.

Funeral services were held from the Grove Baptist church, conducted by the Rev. R. M. Phillips, of Piedmont. Grandsons of Mr. Mackey were the active pallbearers. The interment was made in the family plot.

## NEEDY FOLK ARE GETTING WOOD FROM RELIEF YARD

Needy people in Brevard meaning those who are unable to provide fuel for warmth and cooking, are being supplied wood from the community woodyard in Brevard, which is being operated under the Emergency Relief Administration.

Eleven men are employed in Pisgah National forest, cutting and piling wood which is hauled to the Brevard yard, where another squad of eleven are employed in cutting, splitting and hauling.

The timber is being donated by the forestry division without cost, the basement of the large building on West Main street which is being donated to the project rent free.

## FOUR CREWS BEGIN WORK ON HIGHWAYS

### Two Roads In Lower End Of County—Two in the Upper End

Four crews of workmen will start Wednesday morning on four county highways, working under the Civil Works Administration.

The projects will be under supervision of the state highway commission, of which P. L. Threlkeld is resident engineer.

Labor for the projects is being furnished from the relief rolls of the local office, these men being given preference for the first work to start under the CWA. Workers for other projects to be started this and next week will be taken from the rolls of the Re-employment office, 219 men in all being allotted to Transylvania under the CWA.

Road projects to be started Wednesday morning include:

Five miles from Route No. 289 near Rockbrook Camp in easterly direction to Island Ford bridge through to Highway No. 28 for surface with crushed stone or gravel, C. C. Yonque in charge.

Widening and surfacing with old fielding stone and gravel 5.5 miles of road from Quebec station toward Silverstein school house, Webb Hollingsworth in charge.

Surfacing with crushed stone 6 miles road from Route 28 south on Bohaney Road toward Whitewater river, Carl Glazener in charge.

## CAMP BOYS TO BE FED TURKEY THANKSGIVING

Special events are being planned for boys in the two CCC outfits in Transylvania county for Thanksgiving, with turkey playing an important role at both camps.

The new recreation hall will be dedicated with fitting ceremony at John's Rock, with a large number of invited guests from Brevard and the surrounding communities present. This to follow the "big cats" program. "Everything the boys can eat, and the best there is to be had" is planned for boys at Gloucester camp by Captain Adams.

## FATHER-SON DINNER IS HELD AT ROSMAN

Over a hundred people gathered in the banquet room of Rosman High school on Tuesday night for the annual Father-Son banquet given by the Agriculture classes of that school.

A meal that would satisfy one looking for the very best had been prepared and was served by members of the Home Economics class under the direction of Miss Green teacher. The food was all home grown, furnished by members of the agriculture class.

E. J. Whitmore, president of the F. F. A. chapter, and Professor Randall Lyday, teacher, had charge of the interesting program, on which several of the chapter members and visitors took part.

A complete report of the enjoyable and instructive event will be written for next week's Times by Julius Tinsley, chapter reporter.

## SWIMMING POOL WILL BE BUILT IN BREVARD

### Two Sites Being Considered— School Refuses Property For Public Place

Project has been approved and work was expected to start Wednesday morning on building a municipal swimming pool in Brevard, site of the pool not having been decided upon at the time of going to press Tuesday afternoon.

Original plans called for erection of the pool on the Brevard high school property, the school board however, refusing to sanction a public swimming pool there.

Offer was made by the Brevard Building and Loan association of a site in Franklin Park. Another offer was made jointly by the town of Brevard and Transylvania county of property directly opposite the court house on North Broad street. One of these places was to be decided upon Tuesday afternoon by a committee composed of W. A. Wilson, J. S. Bonfield, R. P. Kilpatrick and Harry Patton.

Permit was being sought from State Supervisor Morse Tuesday afternoon to change location of the pool. At the time of going to press Tuesday afternoon the project on one of the donated lots had not been approved from Raleigh and it was not known whether the town was going to lose the nine thousand dollars that had been approved by the state office or not.

The project, if started Wednesday morning, will employ thirty men at a rate of 45 cents per hour.

## NEW ARRIVAL

Born to Mr. and Mrs. J. A. Heath on November 24, a son, Charles A. O. Heath.

## PICKENS ROAD WORK PRACTICALLY DONE

Loyalty Day is set for December third in most of the churches of the county, special services at other churches to be announced.

## C.C.C. Basketball

Lieut. W. D. Farris, coach at the Gloucester CCC camp, is seeking games for his basketball outfit with teams in this community, asking that parties interested communicate with him through the Pisgah Forest post office. Lieut. Farris has about thirty boys out for the team, from which several teams will be chosen. He will allow his boys to play either daylight or night games.

## SEWING ROOMS ARE NOW BEING SET UP

Plans are now practically completed for establishing sewing rooms at Rosman and Pisgah Forest, according to Mrs. Mary Jane McCrary and W. A. Wilson, who are setting up the projects under the Civil Works Administration.

The work room in Rosman is being donated by the Woodmen while the county is providing the building at Pisgah Forest, and the Carr Lumber company material for building tables, etc.

Need for sewing machines is very urgent Mrs. McCrary states, request for loan of several machines to be used in the two rooms being sent out. Best of care will be taken of the machines, competent supervisors being in charge at all times.

Thirty-four women will be given employment in the three sewing rooms, one already having been started at Brevard.

## SUNDAY SCHOOL CLASS WILL REPAIR OLD TOYS

Members of the Presbyterian Sunday school class of R. F. Tharp are undertaking the project this year of repairing toys for needy children who will not otherwise be remembered at Christmas time.

The members of this class will be assisted by the Boy Scouts and their leader, J. A. Miller, in the repair work.

It is requested that those having second hand toys to donate for this purpose leave them at Tharp's plumbing shop on Broad street, or if not convenient to bring the toys they will be called for at the homes by notifying Mr. Tharp at his shop or home.

## WORK PLANNED FOR 2 BREVARD STREETS

Survey of highway 28 through Brevard is expected to be started within the next few days according to P. L. Threlkeld, resident highway engineer, with a view to widening and surfacing this route within the city limits.

The work to be done on the two Brevard streets, Caldwell and Broad, will for the most part be surfacing. North Broad street will have the heavy "dip" just at the intersection with Caldwell street remedied, while Caldwell street will come in some widening, the dangerous curve between Whitmore street and Kings Creek to be remedied.

The work is part of the state highway program announced several months ago for on state highways through municipalities.

## SCHOOLS TO CLOSE ON THURSDAY AND FRIDAY

Announcement is made by Supt. G. C. Bush that all schools in Brevard and Transylvania county will be closed Thursday and Friday of this week in observance of Thanksgiving holiday.

## WORK HAS STARTED ON PISGAH HIGHWAY

### Surveyors Begun Tuesday On Locating Route—Boylston Road Next

Survey work on highway 284 through Pisgah National Forest was started Tuesday by the State highway commission, with B. S. Marsh in charge of the crew of surveyors and locating engineers.

While the route has not been definitely decided upon for this important highway line, it is expected that the engineers will follow in the main the Ebnett's Gap route now in use to the top of the mountain, this being the view taken by R. G. Browning, senior locating engineer who was here last week and went over the several proposed routes with P. L. Threlkeld, resident engineer.

Following completion of the survey on 284, the crew will turn next to the Boylston road for relocating work.

Construction work on the Wigan Gap road that ties in with 284 at the top of the mountain and leads to Vanderbilt Lodge will be started immediately.

While no definite announcement has been made as to time of beginning construction work on the Pisgah Forest road it is believed that the job will be started by the first of the year. Local labor will be used.

## RADFORD GALLOWAY IS VICTIM OF SHORT ILLNESS

FASLEY, S. C., Nov. 27.—Radford Galloway, age 31 years, resident of the Alice mills died in a hospital at 7:20 o'clock Friday morning following an illness of ten days duration.

Mr. Galloway was born and reared in Transylvania county, but moved to Fasley with his parents when a child and has resided here since. He was well known in his community and the news of his death, which came unexpectedly, will be a source of sorrow to his many friends.

Mr. Galloway was unmarried and survived by his mother, Mrs. W. P. Galloway; four sisters, Mrs. C. R. Thompson, of Hickory, Mrs. J. C. Rice, of Laurens and Miss Marie Galloway, of Asheville; four brothers, W. P. Woodrow and Flynn Galloway, of Asheville and J. A. Galloway, of Columbus, Ga.

## DIPHTHERIA CLINICS TREAT BIG NUMBER

Final diphtheria clinic was held at Brevard elementary school last week with over three hundred children taking their second or last treatment, bringing the total number to better than five hundred that have taken the two doses necessary for immunization this fall.

The clinics were held by the Brevard Kiwanis club, two doctor members, Dr. C. L. Newland and Dr. C. E. Cunningham, giving the treatments. The medicine was furnished by the state board of health without cost to the club which sponsored similar clinics last fall at which time more than nine hundred children were given the treatments, funds for the purchase of vaccine being raised by the club and other interested groups.

Dr. Newland states that complete immunization will not be effective for those children who took the treatment this fall for a period of about three months, and advises that any child who has been treated this fall who shows symptoms of diphtheria be given attention immediately by a physician.

## No Arrests

Brevard went by a whole week and with no arrests being recorded, for the first time in many months. The customary number of over-inhabitants of strong drink were noticeable Saturday and Sunday by their absence. Policemen Freeman and Morris assert that the town is getting better every day.
