Large Slice Off Commercial Lighting-Residential Is Also Lowered

RALEIGH-The utilities commission schedule for the Duke Power company, which will save consumers in North Carolina and South Carolina more than \$1,000,000 annually, officials estimated.

Utilities Commissioner Stanley Winborne said North Carolina consumers would receive an \$838,000 annual reduction under 1937 charges, and that South Carolina's annual saving would be \$303,000.

The schedule which is the same for both states, will become effective on

The rates were agreed upon late Monday at a conference between Winborne and Norman Cox, vice-president and general counsel for the Duke Power company.

"We are expecting to make other reductions within the next few weeks," Winborne said.

Under the new schedule, he said, commercial customers of the Duke Power company will receive the largest reduction.

The new residential rate is 80 cents for the first 10 kilowatt hours a month four cents for the next 40 kwh, 2.5 cents 20, 3.5 cents for the second 20 and 2.5 ed with laurels that will never, never

Boy Scouts Change

The Boy Scouts will hold their regular meeting Friday night at 7:30 instead of 7 o'clock as there are no meetings or other activities which will interfere and this is a more convenient hour for most of the members. All members are urged to be present as there are some plans for troop activities in the near future afoot.

The recent meetings have been made more interesting by the playing of a number of games which Edward Clezener assisted by Scoutmaster Norwood has arranged in connection with his merit badge work.
