Workers From Many Sections Will Hold Week's Session at Camp Sapphire

GROUP MEETS HERE

Plans are practically completed for entertainment in Brevard of the state recreation training conference of the WPA, which will be held at Camp Sapphire in a four-day session, beginning Monday morning.

The conference is for all area, county and project supervisors of the rec-reation setup, and it is expected that around \$5 supervisors will be in at-tendance. Miss Ronie Sheffield, state director of recreation, will preside.

Speakers of note from national and state headquarters will appear on the four days' program. Included among the leaders will be Miss Ringe, of Washington, D. C., assistant to the na-tional recreation adviser, who will couduct open forums on various phases of the work, and discussions by Mr. Bent-ley, regional supervisor of education and recreation, on varied topics per-taining to the project.

The conference is for the purpose of study, training, recreation, nature study and other phases dealing with recrea-tional program leadership,

out of the four.

New Town Hall Will **Be Completed In May**

Plans now call for the Town of Breward office to move into its new quarters just across the street from present location.

Workmen are making fine progres on the building, and the offices will be moved as soon as possible.

Ample room is provided in the new structure to take care of the town's needs for years to come, with large storage space in the basement for equipment and supplies. The fire truck will be housed in the

street floor section of the building. where will also be found the city clerk office, and very probably the Chamber of Commerce desk.

Work is being done by the WPA.

Galloway Cafe Moves Into Modern Quarters

Announcement is being made this week by Galloway's Cafe of their removal to new location on Broad street. in the building next to the Dixle store which was formerly occupied by Plummer's.

The entire building has been gone over, with a new front put in, new colors of a "fetching" type, and a modern cafe kitchen.

The new place affords more room and is considered by those who have seen it as a decided asset to the town.

Clean-Up Week Here

Annual clean-up week which was ob-served in Brevard last week had the best response of any similar event in years, according to Mrs. O. L. Erwin chairman.

The town truck was kept busy during the entire week, hauling rubbish and trash, and in addition, a number of residents hired conveyances for hauling.

At their Monday night meeting the Brevard Woodmen voted to have a softball team to enter in the city league which is expected to be formed soon. The camp agreed to appropriate money to pay for necessary equipment and elected Harry Stroud as manager of the team. Manager Stroud said that he would make definite announcement concerning practice next Monday night at the meeting.

The team should be reasonably strong as there are five members of last year's Baptist championship team who are members of the lodge. They are Harry Stroud, Ralph Brown, Roy McCall, Vance Jackson, and Nathan McMinn. Others who have had experience and expressed interest are Robert Tinsley, Robert Jackson, James Walden, Dean Whitlock, E. R. Hayes,

Finds Freak Egg

An egg that had apparently been cut in half and cemented back together by the hen was brought to The Times office last week by W. O. Tinsley. When pulled apart the large two-in-one egg contained two yolks.
