In Memory of Our Daddy ELISH E. WILSON Who passed away one year ago.

We are lonely today dear daddy Lonely and sad at heart You were a joy and sunshine to us, Why is it we had to part.

No one knows how we miss you, More and more each day, Our thoughts are always with you, No matter where you stray.

Your cheerful smiles and lonely ways, Are pleasant to recall today, You had a smile for every one, And died loving all.

No one but God knows, What happy days were once enjoyed When we were all together, But oh, how changed it is today, Since you have gone forever

You left us with a shock indeed We do not know the pain you bore We only know you passed away, Without a chance to say goodbye.

Sleep on our precious loving daddy, Until lifes dark days are o'er, Some happy day we will meet you, And parting shall be no more.
