Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery. Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

CONTEST By GLUYAS WILLIAMS

ALMOST PERSONAL

"I understand," said a young woman to another, "that at your church you are having unusually small congregations. Is that so?"
"Yes," answered the second girl, "so small that every time the rector says, 'Dearly beloved,' you feel as if you had received a proposal."
Got Left
Fitzjones—Did you go to the theater last evening, Percy?
De Brown—No; I attended a sleight-of-hand performance.
Fitzjones—Where?
De Brown—I went to call on Miss Le Smythe, and offered her my hand, but she slighted it.
Back-chat
Him—Take my uncle now—there was a man! He left everything he had to an orphan asylum!
Her—Yes. Twelve kids!—Washington Post.
No Change
"A husband like yours must have been hard to find."
"He still is."
