Spindale News Notes

The singing convention here Sunday was well attended. Owing to some confusion in the announcements only one choir (the Mountain View) was present. It was to have been an all day singing and dinner was to have been brought, but neither the Shiloh, Spindale or any other choir was present, so it was called off after the Mountain View choir did some good singing.

L. W. Griffin has returned to South Carolina after a short visit home.

Miss Edwards, of Rutherfordton, is visiting her sister, Mrs. Spurgeon Yelton.

Miss Sudie Harton is visiting Mrs. Clara Carswell.

A fair was held at the Welfare House Saturday afternoon. The children of the village exhibited fancy needlework, doll clothes, sofa pillows, etc., and the ladies exhibited canned fruits, flowers, garden produce, fancy work, etc. Mrs. Clara Carswell showed several curiosities that her husband brought back from France. After the exhibitions, iced tea was served and the ladies and children especially went away feeling refreshed and thanking Mrs. Carswell for her generosity.

Work on the new school building, the Spencer and Spindale Mills and the new Spindale Mill continues to go forward uninterrupted.
