**PREVENT PNEUMONIA**

Neglect of a simple cold is often the direct cause of pneumonia. Children do not like to take nauseating medicine but do like the soothing effect of the external remedy,

Brames' Vapomenha Salve is applied by rubbing this delightful salve into the chest and under the arms. The result is almost instant relief from croup and colds. It is not unusual for stubborn cases of pneumonia to succumb after a few applications. Recommended by doctors for the youngest babies as well as for grown-ups.  
30c, 60c and \$1.20 in all drug and general stores. Free sample upon request to

**They Win You On Quality!**

Your enjoyment of Camels will be very great because their refreshing flavor and fragrance and mellowness is so enticingly different. You never tasted such a cigarette! Bite is eliminated and there is a cheerful absence of any unpleasant cigarette after-taste or any unpleasant cigarette odor!

Camels are made of an expert blend of choice Turkish and choice Domestic tobaccos and are smooth and mild, but have that desirable full-body and certainly hand out satisfaction in generous measure. You will prefer this Camel blend to either kind of tobacco smoked straight!

Give Camels the stiffest tryout, then compare them with any cigarette in the world at any price for quality, flavor, satisfaction. *No matter how liberally you smoke Camels they will not tire your taste!*

**R. J. REYNOLDS TOBACCO CO.**  
Winston-Salem, N. C.

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes; or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.
