# November Specials

**FIRST WEEK**

AT

## THE HENRIETTA MILLS STORES

Thursday, 6th; Friday, 7th, and Saturday, 8th

Our buyer is now in Baltimore buying goods for the Holidays and regular needs, and in order to make room for the usual big and complete line of Holiday Novelties, we are going to sacrifice what remains of our

## MILLINERY

Every Ladies' Hat in our stores will be sold regardless of style or any thing else, at exactly HALF THE ORIGINAL PRICE.

Now is the time to buy your hat, for we must clean up every Ladies' Hat during these days and will sell many of them for much less below cost. It has always been our policy to clean up this big line early, as we need the space used for this line, for "TOY LAND" so come early and get the more desirable shapes.

## Ladies' Coat Suit Special

We have about 50 LADIES' SUITS that we are going to place on sale for these days at a very special price, but we are unable to name the price here owing to the fact that there's scarcely two of a kind, but the price will be much below the market of today and for the next two years for that matter, so don't wait until these are gone and then ask us for "some of those cheap suits."

We have hundreds of things at special prices, because if we were to buy them now we would have to pay considerably more than we are offering them at, so it will pay you to shop with us and save money.

## Silk Special

During these days we will place on sale at SPECIAL PRICES, our entire line of Fine Silks and you will save money by buying NOW.
