December Specials

The "Wonderland" for the children has been filled to overflowing and thrown open to the public at each of our stores and we urge you to "SHOP EARLY" and get your toys and novelties while the stock is complete and you can get the proper service. We are showing the greatest line of toys and novelties ever shown in Rutherford County and we firmly believe the public will appreciate the fact that they can get these things at home.

This Week's Specials

Friday, Dec. 5th, & Saturday, Dec. 6th, Only

During these two days we are going to make the greatest sacrifice of the season and give you a chance to buy desirable new merchandise for less than the cost of production. We have just received a big shipment of coats and suits and will place on sale Friday morning our entire lot of Ladies' Suits at exactly half the original price. Every coat in the house will be reduced 20 per cent and every ladies dress above \$9.00 will be sold at 20 per cent off regular price. Now please don't wait until Saturday and expect to get good service, but come early Friday morning and get the service you are entitled to.

MEN'S YOUNG MEN'S AND BOYS' CLOTHING

We have at last been able to get something over 300 Suits from our original contracts and we will offer these at a discount of 10 per cent from regular price. Our price on this line has been, in many cases, less than other merchants have had to pay, for we had our contracts early and were in position to force deliveries, so we have decided to give our patrons the benefit of our early buying. Many of these suits will be sold for much less than we could get them today and a great deal less than we paid for Spring deliveries.

We're on the job to serve you better and if you will come to see us you will find a hearty welcome.
