

PEPTO-MANGAN MAKES RICH RED BLOOD

Helps Restore Thin, Run-down Men and Women to Vigorous, Full-Blooded Health

COMMENDED BY PHYSICIANS

See in Liquid or Tablet Form. The Name "Gude's" is the Guide to the Genuine

It is a true saying that your health is only as good as your blood. Good, rich blood manifests itself in a healthy, natural complexion; clear, keen eyes; tireless energy and enthusiasm; and an abundant supply of reserve strength.

And just as positively does poor, thin blood directly influence the entire system. Pale, sallow complexions; dull eyes; a listless step; languidness, tiredness; worn-out feeling; general dejectedness and unhappiness—all are positive signs that the body is not receiving its proper nourishment through the blood.

Pepto-Mangan helps restore vigorous health, because it contains the very elements so much needed by the blood to enable it to perform its functions and supply the body with nourishment, energy, and strength.

For your convenience, Pepto-Mangan is prepared in tablet as well as liquid form. Both possess exactly the same medicinal value.

There is but one genuine Pepto-Mangan, and that is "Gude's." If the name "Gude's" is not on the package it is not Pepto-Mangan. (Advertisement)

THE BEST INSURANCE AGAINST INFLUENZA

Prominent Educator Believes That Vapomentha Is A Sure Preventive

Dr. R. M. Brame, discoverer of Brame's Vapomentha Salve, has a letter from C. C. Wright, Superintendent of the Wilkes County, N. C., Public Schools, in which he says: "We have used Brame's Vapomentha Salve for nearly all the ills for which it is prescribed and have always secured satisfactory results. If used in time it has never failed to break up colds, usually the forerunner of Grippe, Influenza and Pneumonia. I speak from personal observation. I believe if this preparation is used in time it will prevent the development of pneumonia in every instance, if used according to directions." These strong statements are fully justified by the remarkable recoveries that follow. Brame's Vapomentha Salve is applied freely over the chest and throat and inserted in each nostril. Brame's Vapomentha Salve penetrates the pores of the skin, relieving congestion, at the same time healing vapors arise and are breathed through the mouth and nose, loosening the phlegm and causing the patient to breathe freely. Its absolute reliability is evidenced by dozens of unsolicited testimonials. Brame's Vapomentha Salve will relieve pneumonia, influenza, grippe, pleurisy, bronchitis, whooping cough, catarrh, asthma, tonsilitis, hay fever and inflammation of the skin. Vapomentha is applied externally and it will not stain the clothes, as other salves do. No home should ever be without it. Buy it from your dealer or direct from the Brame Drug Co., North Wilkesboro, N. C. A small bottle cost 30c.; a much larger one, containing six times as much, \$1.20.—Adv.
