PEPTO-MANGAN BUILDS RED BLOOD

The Happy Family Is The One Where Everybody Has Red-Blooded Health

Children should not be pale and wan. Women should not be tired, weak and listless. Young girls should not be sallow, pale and anemic. Men should not be run-down and poorly.

Poor health and lack of vitality are often merely the result of impoverished blood.

Code's Pepto-Mangan is for people whose bodies suffer from lack of proper blood nourishment. Pepto-Mangan enriches the blood and increases the number of healthy red blood cells, which are necessary to carry the proper nourishment, vigor, and strength to every part of the body.

It contains the very properties that are so sorely needed to build up thin, watery blood. Physicians call it the Red Blood Builder.

For your convenience Pepto-Mangan is prepared in two forms, liquid and tablet. Both contain exactly the same medicinal value.

Insist on the genuine Pepto-Mangan. Be sure you are buying the genuine Pepto-Mangan, ask your druggist for "Code's". And be sure the name "Code's" is on the package.—Advt.

Four Striking Punch Scenes From "On With The Dance"

PRETTY, vivacious Sonia does a whirlwind dance in the steerage of the steamer on which she is coming to America. Her fellow-immigrants crowd around her in amazement. It is typical of the girl and celebrates her first glimpse of the Statue of Liberty.

Sonia, in the sheerest of negligee, dances suggestively in her boudoir in the presence of her admirer, Jimmie Sutherland. At the climax of the dance, Sonia's husband unexpectedly appears. A hot altercation and a startling revelation follows.

A BROADWAY cabaret at the height of its midnight revelries. Sonia, as "The Masked Dancer," is scoring a huge hit with the crowd of pleasure-seekers. Her husband enters, wild-eyed and half mad with jealousy. Finding Jimmie Sutherland, he shoots him dead.

Sonia's husband is on trial for murder. Everything points to his death by the electric chair. Suddenly Sonia startles the court with a story that strips her reputation bare, but saves her husband's life. The tremendous climax of the picture.

Important Meeting At Florence Mill May 21,

To Discuss Child Welfare. State Speaker To Be Here

A meeting that promises to be of great importance and prove of much and lasting good, will be held in the Florence Mills Welfare House, on Friday evening, May 21st, at 2:30 p. m. This interest in the welfare of the children of the mill towns of the county will be of incalculable benefit in the training and development of these children into dependable men and women, thus stabilizing the character of our future citizenship.

The main object of this meeting will be to discuss child welfare in general and how to employ, and keep busy, during the summer vacation, children who are not old enough to work in the mills.

E. F. Carter, executive officer of the Child Welfare Division of the State Board of Charities and Public Welfare, Raleigh, will be present, address the meeting, and make suggestions. A round table discussion will be held and suggestions asked for from every welfare worker and mill superintendent in the county.

Each and every superintendent, welfare worker, mill official, and any one who is at all interested in child welfare work, are urged to attend this meeting. This is a personal invitation to them and it is hoped that all interested will arrange to attend this meeting.

Mr. Carter, while here, will inspect and investigate every mill, factory and shop in the county relative to child labor and welfare conditions, and will deliver addresses while in this county on child welfare.

CORINNE GRIFFITH

It was particularly appropriate that Albert E. Smith, president of Vitagraph, should have selected Corinne Griffith for the leading role of Clyde Fitch's "The Climbers," for she has been steadily climbing ever since she left her home in the south to become a film player. Now she has reached the top rung of film success. In addition to her imposing personal appearance and histrionic talent, Miss Griffith has the happy faculty of wearing beautiful and unusual gowns with grace and has had a splendid athletic training. Some of her most recent features have been "A Girl at Bay," "The Tower of Jewels," "Human Cholesterol" and "Deadline at Eleven."

LARRY SEMON

The Fourth Estate lost one of the cleverest cartoonists in the country when Larry Semon heard the call of the screen. What the newspaper readers lost the motion picture fans gained, for Larry is now the comedy king. He writes and directs all of his features and never imitates another. In "The Grocery Clerk" he introduces the shimmying cat.

"ON WITH THE DANCE"

Startling Photoplay at The Movie Theatre Saturday.

The picture at the Movie Theatre Saturday feels the pulse of New York and finds it not alone the hive of temptation that it is often called, but also the haven for vaulting ambition in the arts and sciences.

"On With the Dance" is the big city in all its seething phases.

Against this background a dramatic love story has been worked out by the master hand of Ouida Bergere, certainly one of the foremost scenarists of the silver sheet.

Mae Murray and David Powell are the feature players. Miss Murray shows that she has not lost one whit of her skill in the dance, which first brought her into prominence in the Follies. But she also exhibits very pleasing qualities as an emotional actress of surpassing ability. Mr. Powell is, as always, the suave gentleman and accomplished actor.

The story concerns the adventures of a little, pretty Russian girl suddenly left an orphan amid the luxury of New York's smart set. Her encounters with men, good and bad, her temporary yielding to the lure of a "soft life," and her final redemption in the big crisis provide an absorbing plot that holds the interest of the audience every moment.

The picture is the first of the George Fitzmaurice Productions released by Paramount Artraft.

Special demonstration of Mindler's toilet articles all next week at Long Drug Store, a free massage to all Ladies.—Mrs. Lutz.

Mr. and Mrs. J. B. Harrill of Chester, S. C., visited relatives here Sunday and Sunday night. They were enroute to Boiling Springs Commencement. They will be accompanied home Thursday by their daughter, Bernice, who has been a student at Boiling Springs.

Hon. Cameron Morrison, prominent in the civic and political life of the state, and a candidate for the position of Governor of the state of North Carolina, will speak in Forest City on Friday afternoon, May 28th, at 2 p. m. He is a fluent and forceful speaker and the people should turn out to hear him.

The Courier job printing office is equipped with new material and prepared to turn out as good printing as anybody. We will appreciate your business, give you good work and get it out on time.

FITZMAURICE AVIATOR

Novel Shot Was Secured for "On With the Dance."

George Fitzmaurice, the motion picture director, who is now producing films under his own name, is an airplane enthusiast. Every morning when the weather is favorable, Mr. Fitzmaurice leaves his little home in Mamaronock, on Long Island Sound, for a spin in a seaplane belonging to a friend of his. So exhilarating has he found the sport that he recently ordered a plane himself.

"On With the Dance" is an entertaining picture of New York life. David Powell has the leading male role opposite Miss Murray. Ouida Bergere wrote the scenario. It is a Paramount Artraft.

"ON WITH THE DANCE"

A Rhymed Review
By Russell Holman

Sonia, lovable butterfly-girl,
Hot in her quest for pleasure,
Caught in the big city's cabaret whirl,
Drunk with the dance's gay measure.
Mad with her beauty, jealous men fought;
Pistol shots startled the Broadway throng;
Out of the darkness the love that she sought
Turned her heart back from the path-way of wrong.

"On With the Dance"—New York grave and gay
Playing the game that sings young hearts;
Mae Murray, the star in a great photoplay,
Fairest of players in strongest of parts.

Batch of Newsy Notes From Thriving Cliffside

Cliffside, May 10.—Miss Hattie Carden who has been teaching music at Bessimer City during the past eight months spent Thursday, Friday and Saturday here with her sister Miss Della Carden. They both spent the week-end with Misses Clara and Leila Morris at Union Mills and Miss Hattie left Monday for her home in Andersonville, Tenn.

A sad tragedy occurred a few miles from here last Friday when Mr. Toliver Harris, a farmer living near Prospect Church committed suicide by shooting himself with a shot-gun. It is thought that Mr. Harris was not in a reasonable frame of mind, and has not been quite normal since a severe attack of influenza some time ago. He leaves an aged mother a wife and several children, also several brothers who mourn their loss.

Miss Eva Long attended the Commencement exercises at Hot Springs last week, and reports a good time. Miss Long's youngest brother, Dan Long was a member of the graduating class.

Mr. Bunyan Rich who has been attending school and graduated at Hot Springs was a visitor here Friday. He was accompanied by Mr. Addie Nunney of Spindale who also attended school at Hot Springs last year.

The ball teams of Henrietta and Cliffside clashed again last Saturday afternoon on the local ground. It was one of the most interesting games ever played here. Both teams were in splendid condition and the game was interesting throughout. Simmons did some fine pitching for the local team fanning five, walked one. Three runs were made, one each by John Jones, G. L. Champion and Forest Jones. Forest Jones knocked a three base hit. The playing of Livingston Freeman deserves special mention he did some fine work on short. Henrietta is playing good ball, and Mr. McMahan's pitching was good. He kept Cliffside from scoring until the sixth inning. Frazier also played good ball for Henrietta, making the only score for their team. A summary of the game is as follows:

Cliffside. Scores 3; errors 4; 1 one base hit; 1 two base hit; 1 three base hit; fanned five; walked 1.

Henrietta. Scores 1; errors 5; 3 one base hits; fanned two; walked five.

A great many of our people attended memorial services at High Shoals, Mt. Vernon and other places Sunday.

Rev.—Waycaster a Methodist Episcopal minister preached in the Hall Sunday afternoon at three-thirty and again at seven-thirty Sunday evening.

Sunday was Mothers' Day and the white flowers were conspicuous telling of the loss of the best friend one ever has on earth. We think it very fitting that one day in the year should be set apart to pay tribute to the mothers. Nor do we believe the fathers should be forgotten.

Our people were grieved to hear last Saturday morning of the death of Dr. C. B. Wiseman which occurred at his home in North Henrietta Friday night. A large concourse of people attended the funeral Sunday afternoon at High Shoals. The Cliffside train made a trip to accommodate the people who could not get other means of conveyance and even the baggage coach was filled. Some estimated the number of people at the funeral at five to six thousand. We feel that the County has lost one of its most efficient and consecrated Physicians in the death of Dr. Wiseman, and his friends all over the county and elsewhere deeply sympathize with his bereft family.

Messrs. E. W. and J. B. Wilson and Fred Robinson of Gastonia were visitors in town Sunday afternoon.

A great many former students and several others are attending the Commencement exercises at Boiling Springs this week. One of our boys, Mr. Livingston Freeman graduates this year.

Mr. Thurlow Hightower returned Friday from Rutherford College where he attended school last year.

Born Monday morning to Mr. and Mrs. W. C. Hightower, a girl.

The Hunt Baraca Class of the Baptist Sunday School is doing some good work this spring. They had a conversion in the class Sunday morning.

Miss Alma Freeman of near Mt. Vernon has returned to Cliffside and has taken a position with the Mills.

Mr. Guy Fortune, formally of Philadelphia is visiting here for a few days the guest of his sister Mrs. G. C. Haynes.

Mrs. J. R. Padgett and children are visiting in Erlanger.

Gardner Club Organized Enthusiasm Runs High

Forest City Citizens Get Together To Boost Their Favorite Candidate For Governor

At a meeting of Forest City citizens held Monday night, in the interest of the candidacy of O. Max Gardner, for Governor, much enthusiasm was manifested.

About 250 of the free and untrammelled yeomanry, who eschew "gag" or "ring" method, went on record as favoring Gardner and pledged their moral and financial support to his cause.

One of the greatest and most cheering speeches of the kind, was delivered by our townsman, I. B. Covington, who is an orator as well as good business man. And take it from us, he is some orator.

The club elected the following officers: J. F. Alexander, president. I. B. Covington, vice-president. S. A. Summey, 2nd vice-president. T. R. Padgett, secretary.

No treasurer was elected as there was no fees to be paid in.

The boys are all enthusiastic Gardner boosters and intend to do all they can to elect their favorite.

Several members of the Forest City Gardner Club are actively engaged this week in canvassing the adjacent territory for members. One of the enthusiastic boosters spent all day in an adjacent piece of woods looking for a man he had understood was in there, who had never heard of Gardner—or any of the other candidates for governor. Ask T. R. Padgett.

Mr. D. D. Little, of Spartanburg, is now treasurer of the Florence Mills and Hugh F. Little is assistant treasurer. These gentlemen are considered among the best mill men in the South, and the Florence Mill has gained a whole lot, and not only the mill, but the social, industrial and business interests of Forest City will be greatly benefited by having these wide-awake, progressive and energetic business men in our midst. Forest City welcomes them and truly glad to have them cast their lot with us. It means much for the future development of our town.

Candidates Announcements

To The Democratic Voters of Rutherford County:

The undersigned is constrained to take this mode of asking the support of the democrats in the Primary on Saturday, June 5th for the nomination to succeed himself as Judge of the Superior Court of the 18th Judicial District, having been appointed by Governor Bickett to fill the vacancy caused by the death of the lamented M. H. Justice.

It is regretted that the writer cannot see you personally, as I am required by law to hold the Courts of the 11th Judicial District until July 1st, and have sessions of Courts every day until July 1st. The congested condition of the dockets of the above District being so great that I do not feel that I am justified in submerging a public duty to the State for private political ends.

The writer stands upon his record as a lawyer gathered from application and a decade of experience, and of my record as a Judge on the bench. Ask any lawyer of the 19th, 20th or the 11th Judicial District where I have presided their opinion of my ability as a Judge and I will abide the answer.

Handicapped as I am, from being compelled to hold the Courts, I trust the people of my District and of Rutherford County will appreciate my position and give me, this the first endorsement I have ever asked of my people.

Respectfully,
J. BIS RAY.

I hereby announce myself a candidate for the office of County Commissioner, of Rutherford County subject to the action of the Democratic Primary, June 5th. I will appreciate your support.
D. D. FORTUNE,
Logan's Store Township.

I hereby announce myself for the nomination for the office of Recorder for Rutherford County, subject to the action of the Democratic Primary, June 5th 1920.
O. C. ERWIN.

I hereby announce myself for nomination for the office of County Treasurer, subject to the action of the Democratic Primary, June 5th 1920.
J. F. FLACK.

I am seeking the nomination as Democratic candidate for the State Senate from the 32nd Senatorial District and will highly appreciate the support of Democratic electors in the primary to be held on June 5th.
SOLOMON GALLERT.

Rev. D. J. Hunt left Monday morning for Washington, D. C., to attend the Southern Baptist Convention, and expects to go on to New York after the Convention is over, in company with Rev. W. T. Tate of Caroleen and perhaps others from this section.
