If You Were In My Place What Would You Do

—As A Tire Dealer?—

Would you sell shoddy tires on which you made a large profit with each sale?

Would you sell tires with a guarantee covering only a limited number of miles?

Would you "fall" for some smooth sales talk offering you an "exclusive proposition" on some tire whose worth was not established?

NO, YOU WOULDN'T—

You wouldn't risk losing your patronage by indulgence in these practices. You would sell such well known standard quality articles as GOODYEAR Tires.

GOODYEAR customers come back again. They're satisfied.

Let us show you our complete line of GOODYEAR Clincher Tires for Ford—Chevrolet—Maxwell—Dort and other smaller cars.

Celebration July 3rd

The Rutherford Sun is authority for the statement that this county will have the biggest celebration on July 3rd, at Rutherfordton, in the history of the county, and that preparations are now going forward to that end.

An invitation is extended to the entire county to attend and to cooperate.

The aim of the celebration is to do honor to all who have had a part in defending our country in time of a crisis. Soldiers of all wars, sailors, marines, nurses, etc. are urged to attend in uniform and take part in the parade.

Every home in the county is asked to contribute towards a free dinner for the soldiers. Nobody but persons who have served their nation in service will be allowed to partake of the big free feed.

The four bands of the county will be asked to furnish the music, and the mills will be asked to let them off for the day.

The committee is working on a suitable program for the occasion, and it will be announced later.

Arrangements are being made for an airplane to be on hand to do stunts and take passengers on a trip to the skies. The day will be full of enjoyment.

The committee on the parade consists of Capt. Ben L. Smith, of Forest City chairman, and Major Henry Norris and B. P. Caldwell, of Cliffside.

All people who were born in Rutherford county, but who now live outside the county, are urged to "Come Back Home" that day.

The people who are behind the movement assures it being a success. Lets go! Everybody lend a hand.

Mrs. Josh McMurry Dead

The many friends and relatives of Mrs. J. E. McMurry will learn with sorrow of her sudden death, which occurred at the home of her husband in Forest City on the morning of June 10th.
