SUNDAY SCHOOL LESSON

(By REV. P. B. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)

LESSON FOR SEPTEMBER 12

THE GLORY OF SOLOMON'S REIGN.

LESSON TEXT—I Kings 10:1-13, 23-25. GOLDEN TEXT—Blessed is every one that feareth the Lord, that walketh in his ways...

ADDITIONAL MATERIAL—I Kings 9:1-2; 10:14-2. PRIMARY TOPIC—A Queen Visits a King. JUNIOR TOPIC—The Queen of Sheba Visits Solomon.

INTERMEDIATE AND SENIOR TOPIC—The Climax of Israel's Greatness. YOUNG PEOPLE AND ADULT TOPIC—Tests of National Greatness.

I. The Queen of Sheba Visits Solomon (vv. 1, 2). Her visit was the result of Solomon's widespread fame...

1. The extent of his kingdom (4:21-25). He ruled over all the kingdoms from the Euphrates river to the Mediterranean sea...

2. His great wisdom (4:29-34). It excelled that of the Chaldeans, Persians and Egyptians (vv. 30, 31). None of his contemporaries approached unto him in knowledge...

3. The temple (chs. 5 and 6). This was an exact reproduction of the tabernacle, double in size, in marble and gold. The amount of labor, skill and money expended on the building was exceedingly great...

4. Royal palaces adjoining the temple (ch. 7). Following the erection of the temple he began the building of his own house. He was nearly twice as long in building this as in building the Lord's house.

5. His commerce (9:26-28; cf. II Chron. 9:10, 21). His trading ships went east as far as the Indian ocean, perhaps even to India; and west as far as Spain.

6. Army and navy (10:26-29; cf. 9:27). Such wealth and greatness would at some time provoke opposition, so he put his nation into a state of preparedness.

All this greatness was associated with the name of the Lord. It was known that his fame was due to his relation with the living God. No one ever had a greater missionary opportunity than he.

II. The Queen of Sheba Astonished (vv. 3-9). After the interview in which Solomon answered all her questions, she was overwhelmed with his great wisdom. She had plied him with hard questions to see if he could measure up to his reputation...

III. The Queen of Sheba Gives Gifts to Solomon (vv. 10-13). As was the custom, she brought gifts to Solomon, the king, the gold of which was in value between three and four millions of dollars.

This was a large gift for that time, but Solomon more than recompensed her. He gave her all she desired and in addition, of his royal bounty. While her gift to him was great, his to her was greater, even in keeping with his possessions. God gives unto them who give their hearts unto him...

IV. All the Earth Sought Solomon (vv. 23-26). His fame spread to all the earth so that the people came to hear the wisdom which God gave to him.

Good Conscience. A good conscience is to the soul what health is to the body; it preserves constant ease and serenity within us, and more than counteracts all the calamities and afflictions which can befall us from without.

Cheerful Friends. Everyone must have felt that a cheerful friend is like a sunny day, which sheds its brightness all around; and most of us can, as we choose, make it world either a palace or a prison.

CALOMEL HORROR TOLD BY DODSON

You Don't Need to Sicken, Gripe or Salivate Yourself to Start Liver.

You're bilious, sluggish, constipated. You feel headachy, your stomach may be sour, your breath bad, your skin sallow and you believe you need vile, dangerous calomel to start liver and bowels.

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling splendid.

Too Early. Friend wife was coming in on the 4 a. m. train and, of course, my alarm clock failed to register.

Friend wife was coming in on the 4 a. m. train and, of course, my alarm clock failed to register. Still half asleep, I threw the clutch into reverse instead of first speed and whirled through the back door and part of my neighbor's yard, bringing up with a bang almost in the middle of the sleeping tent where my neighbor's family spent their nights.

"STRANGE HOW WOMEN SUFFER"

Says Tennessee Lady, and Will Just Go Suffering, She Says, When Cardui is Right at Hand.

Caryville, Tenn.—Hoping her experience may benefit others who suffer from disorders common among women, Mrs. Charles Rains, of this (Campbell) county, says: "I had womanly troubles till I couldn't rest, couldn't sleep, and was nervous and suffered a great deal of pain in my head, limbs and back. I would get to the place where I couldn't move without a great effort."

"For years I had known of Cardui, and it is strange how a woman will just go on suffering when the best remedy in the world is right at hand—but we do!

"But finally the pain was worse, my suffering so great, I knew I must do something. A friend mentioned Cardui and we sent for it. One bottle helped me.

"I took a course of Cardui, regained my strength, built myself up and felt like a new woman.

"Can I recommend Cardui? Yes, and gladly, for it is a God-send to suffering women. I hope when they suffer with troubles common to women they don't wait, but get this sure remedy at once."

"Five hours there, my dear madam," sobberly retorted the surgeon, "would have made you into an angel."—Indianapolis News.

That Baby should have a bed of its own all agreed. Yet it is more reasonable for an infant to sleep with grown-ups than to use a man's medicine in an attempt to regulate the delicate organism of that same infant.

Children Cry For Fletcher's CASTORIA

Special Care of Baby. That Baby should have a bed of its own all agreed. Yet it is more reasonable for an infant to sleep with grown-ups than to use a man's medicine in an attempt to regulate the delicate organism of that same infant.

Your Physician will tell you that Baby's medicine must be prepared with even greater care than Baby's food. A Baby's stomach when in good health is too often disarranged by improper food.

Make a mental note of this:—It is important, Mothers, that you should remember that to function well, the digestive organs of your Baby must receive special care. No Baby is so abnormal that the desired results may be had from the use of medicines primarily prepared for grown-ups.

TO MEET THE EMERGENCY Youngster Had Little Difficulty Making Up His Mind as to What He Would Do.

As the old lady strolled on the cliffs near a seaside town she came across a lad dressed in the well-known scout's rig.

"What do they teach you in the scouts?" she asked him, with a beaming smile.

"To be manly citizens, and true to king and country," replied the lad promptly.

"And what are you going to be when you grow up, my little man?" went on his self-appointed examiner.

"A soldier, to fight for the king," was the patriotic reply.

"Very brave," applauded the old dame. "Now, suppose you saw the king's coach dashing along, with runaway horses, straight toward the edge of this cliff, what would you do?"

The youngster eyed her in disgust. Evidently she was one of those people who never imagine a boy has any sense. He determined to settle her once and for all, so he replied: "I'd shut my eyes, and sing, 'God Save the King.'"

Expensive Melody. "Ah! Life with you would be one grand, sweet song?" "But I'm a practical girl. To me there's music in the purr of an expensive motor, in the soothing tones of a French maid, the suave replies a well-trained butler makes, the honeyed words of tradesmen eager for my patronage, the—"
