DEDICATION OF HAYNES MEMORIAL BUILDING

A large crowd gathered at Cliffside Saturday night to witness the dedication of the handsome R. R. Haynes memorial building and to do homage to the citizen of whom the county at large is proud to honor and call a native son—the late R. R. Haynes. The life of Mr. Haynes is an inspiration to our young men and serves to show that in free America any young man with the proper equipment of will power and energy has his chance to reach the greatest heights of success—all dependent upon that within the individual.

Mr. Haynes built well and set in motion ideals that will go on and on in the after years and prove a blessing, not only to the people of Cliffside, but to the county and state. The magnificent school building and the edifice dedicated to his memory Saturday night are only expressions of his ideals, carefully carried out under the direction of his noble and loving son, Mr. Chas. H. Haynes.

The community building will do a great good in Cliffside. Here the different ones will gather for recreation and social pleasure and the human companionship and the worthy impulses and high ideals gathered will promote a healthy growth for better citizenship. Friendships will be formed, recreation will be had and all will be the better for having been presented the handsome building for their welfare.

Rutherford county and the state appreciates what has been done, and will be done, in the carrying out of the ideals of the late R. R. Haynes.

The most interesting ball game of the season was the one played last Wednesday between the store force of the Henrietta store and players from Avondale and North Henrietta. EXAMINATION PAPERS FOR POSTOFFICE APPLICANTS

The U. S. Civil Service Commission has sent to the local postoffice announcements and application blanks for filling the position of postmaster at Forest City. Blanks may be obtained and must be properly executed and filed with the Commission at Washington as promptly as possible. The date of examination will be announced later. The vacancy at the local postoffice takes place Sept. 5, 1922.

\*And right here it might be said that our present postmaster, Mr. W. C. Blanton, has given entire satisfaction, but must bow to the G. O. P. and let some Republican take over the reins. Which, possibly is all right in a way, and the only remedy is to out vote 'em.
