## FOOTBALL NEWS

### PIEDMONT BOWS TO OLD GOLD AND BLACK

Forest City high school won their third football game of the season last Saturday when Ayers, the fleet-footed quarterback of the local team, dashed around the whole Piedmont team twice for touchdowns. Piedmont kicked to Ayers, who carried the ball back to the thirty yard line. After a first down on plunges, Ayers got away for a fifty yard run around the right end. On the next play he again circled, the end for the first touchdown. Coons failed to annex the extra point. Forest City kicked and Piedmont carried the ball down the field for first downs. Then the Old Gold and Black line stiffened and the ball went over on downs. The Piedmont line held and Coons kicked to the forty yard line. Quarter ended with ball in Piedmont's possession on Forest City's forty yard line. At beginning of second quarter Piedmont's center passed a ball on fourth down high over the kicker's head. Ball went over on Piedmont's forty yard line. The locals lost their chance to score again when they let one of the Piedmont backs intercept a forward pass. The half ended with the score standing Forest City 6, Piedmont 0. The second half was slowed up considerably by a number of incomplete passes. No scoring took place during the third quarter but soon after the fourth period started Ayers picked one of Piedmont's passes from the air and Moss and Kerr running interference carried the ball forty-five yards for the other score. A dropkick was blocked and the scoring ended. Forest City put up a fine game, completing the majority of them.

Piedmont comes here Friday of this week for a return game. A lively scap is expected.

Boys showing up best in the game were Moss, Ayers, Tedder, and McKeithan.

## FOREST CITY BOYS WIN FIRST HOME GAME

The season of home games got off to a good beginning Saturday, Oct. 11, when the local high school football team defeated the Shelby high reserves by the score of 12 to 6. The game proved to be one of interest and excitement from the first whistle. Shelby won the toss and chose to receive but soon lost the ball when the locals recovered a fumble. Forest City then carried the ball to the one yard line to be held for downs. Shelby kicked out and the quarter ended with the ball in the possession of Forest City on the 25 yard line. Immediately after the opening of the second quarter Ayers carried to ball over for the first touchdown. There was no more scoring this half. In the second half Shelby came back with blood in their eyes and before anybody knew it had slipped away for a long run and a touchdown. They failed to kick goal. The score now stood 6-6 tie. It did not remain that way long however for after a series of forward passes Kerr received a beautiful pass from Moss and squirmed out of the arms of two Shelby players and ran thirty yards for the second touchdown. Ayers failed to annex the extra point so the score now stood Forest City 12 Shelby 6. This ended the scoring for both sides. The whole team showed considerable improvement over the Lincolnton game and gave a good account of themselves all the way through. Those deserving special credit for the home team are Capt. Moss, Ayers, Watkins, Kerr, McKeithan and McBrayer.

## HALLOWE'EN PARTY AT KIWANIS CLUB

### Ladies' Night Next Monday—Masks and Costumes to Be Worn—Special Supper and Program.

Local Kiwanians and their ladies will make merry at the next Monday night meeting of the club, which has been designated ladies' night, when a Hallowe'en party will be held. Masks and costumes will be worn, a special program is in the making and the supper is to be in keeping with the occasion. Judging from the success of the last ladies' night, this one should prove a most enjoyable occasion, when nothing will be left undone to add to the pleasure of those present. The hall will be appropriately decorated for the festive event. Mr. John Dalton is in charge of the program and will be ably assisted by others.

Considerable interest is being awakened in the forthcoming district convention at Spartanburg, Oct. 29 and 30. A goodly crowd will go from Forest City and the occasion will prove of splendid value in advertising our city. Let every one who can possibly do so, go to this meeting. We want a representation there that will put our city on the map. A number of arm banners have been ordered and a big delegation is wanted to go in a body.

The suggestion list Monday night proved interesting. Among the things needed in Forest City, as noted in the suggestions, a new hotel leads the list, followed by new postoffice, new city hall, another payroll, more paving, etc. The suggestions are good in awakening a realization of the things needed in the city, many of which will come in due time with a hustling Kiwanis Club backing the projects.

D. A. C. Duncan made an interesting and instructive short talk on "Improved Methods of Preventing Disease."

W. L. Brown in charge of the program. The attendance prize went to Mr. J. R. Moore.

O. C. Turner's "Scrap Iron Quartette" was heartily endorsed.

## CONTRACT LET FOR PAVING IN FOREST CITY

Contracts for extensive paving in the city were let at the City Hall Wednesday. We are going to press too early to get the list of successful bidders, but are told that the work will be pushed to an early completion.

Bids call for paving as follows: Cherry Mountain street road to the Bostic road.

West Main street—north side to Chas. Harrill; south side to Harrill Bros. store.

East Main street—Methodist church to W. E. Moore.

Broadway—the bridge to city limits.

There is more paving in contemplation. Property owners should promptly sign for paving, so that the city can get the much needed work. Nothing adds more to the city and to the values of property than paving. Don't stand in the way of progress.

## DALTON BROS. STORE NEWS

We hate to do this for two reasons: First, because we have to pay for it; and second, because it looks as if we are about ourselves. Nevertheless, our anniversary sale went over so good that we think our customers should know about it. We felt so good about it Saturday night that we took everything out of the show window and put in a card of thanks over Sunday.

Lots of things are going to happen in the next few days: Automobile races, ladies' night at the Kiwanis Club and the election. We are getting all set for ladies' night. We are 100 per cent for the ladies. As for the election, we are still for Andrew Gump.

Don't get sore at me just because you have read this. Remember genius will be served. —J. W.
