HOME DEMONSTRATION CLUB MEETS

Rutherfordton, Sept. 7.—The Home Demonstration Federated Club met with Miss Gladys Perry at the Hicks building on Monday, Sept. 7th.

The meeting was well attended and the entire two hours spent in session were devoted to business of the club demonstrations and discussions and information relative to the County Fair.

The annual election of officers resulted in the following choice: Mrs. Chas. Justice, president; Mrs. W. G. Harris, vice-president; Mrs. G. W. Rollins, secretary and treasurer; Mrs. M. M. Young, recording secretary.

Demonstrations were given by girls' teams competing for the state prize. A demonstration on fabrics was given by Misses Irene White and Moselle Hastings, of Bostic team. A demonstration on bought meal and home grown meal by Miss Bernice Killiam and a demonstration on Mayonnaise dressing by Miss Ruth Cline, of Gilkey team, were excellently accomplished. Miss Killiam demonstrated the fact that a home grown dinner for a business man costs 50c less than one where every article of food is bought. In Rutherford county much valuable food goes to waste that could be preserved.

The County Fair was discussed and helpful suggestions were made to the members present.

Miss Perry will devote the month of Sept. to assisting the women in the county in raising the standard of the exhibits. While many in the county have done excellent work, often one new point in improving one's work will be invaluable in an exhibit. Instruction in judging will also be

given. On Sept. 21st and 22nd Miss Witehill will give demonstrations and instruction on foods especially vegetables and salads. This should be a help to those who contemplate making exhibits. The place will be the City Hall and the time 10:00 o'clock. On Sept. 25th Miss Esterbrook, clothing specialist, will give a demonstration at the City Hall at 10:00 o'clock. Any woman in the county interested in these subjects will be welcome.

Miss Perry requests each club to select two members to attend each meeting of the Federated Club to insure a full attendance with each club represented to make this work more effectual.
