Our Boys to Carry On.

What is a boy? He is a person who is going to carry on what you have

He is to sit right where you are sitting and attend to those things you think so important when you are

You may adopt all the policies you please, but how they will be carried out depends upon him.

Even if you make leagues and treaties, he will have to manage

He is going to sit at your desk in the senate, and occupy your place on the supreme bench.

He will assume control of your cities, states and nations.

Your prisons, churches, schools, universities and corporations.

All your work is going to be judged and praised or condemned by him. Your reputation and future are in his hands.

All your work is for him in the fate of the nation and of humanity is in his hands.

So it might be well to pay some attention to him.
