

**CHILD STUDY CLUB**

The May meeting of the Child Study Club met at the home of Mrs. G. C. King, Monday afternoon, May 10, Mrs. F. I. Barber president, presiding.

"The Boy and His Career, Selecting the Vocation," was read by Mrs. John Dalton, substituting for Mrs. W. A. Ayers, who could not be present. This paper was said to be one of the best and most helpful ever given in the study, rendering solutions to some of the many problems which arise in the rearing of the boy today.

"The Necessary Chart for the Boy and Girl by Which to Steer Life's Voyage of Discovery," was the theme of an instructive paper read by Mrs. S. V. Hooker.

The president gave a very interesting report of the recent luncheon of the Charlotte club, to which the presidents of the nearby clubs were invited. Mrs. Barber states that the principal speaker quoted Recorder O. C. Erwin, of Rutherfordton, as saying that no boy or girl had ever been brought in his court who had ever belonged to a boy or girl scout organization.

During the business session of the club it was decided to meet monthly during the summer instead of semi-monthly as heretofore. Mrs. R. W. Minish was received as a new member.

Featuring the social hour of the meeting was a contest, "A Motor Race," Mrs. R. W. Minish being the winner.

A most delicious ice course was served by Mrs. King, assisted by her daughter, Lila Gordon King.

Mrs. King's guests were Mrs. J. M. Edwards and Mrs. J. M. Burkholder.

**AN APPRECIATION**

As a voter and a citizen of Forest City, I desire to commend to the voters of Rutherford county the candidacy of Victor Logan, of Bostic, for Register of Deeds.

Mr. Logan is a young man of sterling worth and the highest order of intelligence. Educated, capable and industrious. Although a comparatively young man, Mr. Logan has for a number of years been an efficient highly honored and respected officer of a Bostic church and enjoys the utmost confidence of the entire community.

That Mr. Logan will make an honest, careful and efficient county official, if elected, is obvious and a well known fact to his large circle of friends and acquaintances in Rutherford county.

It is a real pleasure to give this word of commendation voluntarily and positively without solicitation of Mr. Logan or his friends.

Signed,  
R. V. KING.

**PRESBYTERIAN MINISTER INSTALLED AT RUTHERFORDTON**

A commission appointed at the recent meeting of Kings Mountain Presbytery in Forest City, and composed of Rev. G. R. Gillespie, chairman; Rev. R. T. Baker and Elders J. E. McFarland and G. P. Reid, installed Rev. W. L. Latham as pastor of the Rutherfordton Presbyterian church Sunday morning at 11 o'clock.

A large congregation was present for the services and the singing of the choir and mixed quartette was of an exceptionally high order. Choosing his text from the second chapter of the Gospel of St. Mark and fourth verse, "For the Press," about the door, Mr. Gillespie brought out some of the motives which actuated people then and now in their attendance on divine worship, some from a motive of criticism, which is always a bad motive, others from a better motive who feel their need, and come to be helped, and still others from the best motive of all, to help others. The charge to the congregation was included in the sermon.

The commission was constituted with prayer by Dr. G. P. Reid of Forest City, Rev. R. T. Baker, of Britain, charged the pastor. The chairman then propounded the questions to pastor and people and officially declared Rev. W. L. Latham pastor of the Rutherfordton Presbyterian church. The commission service was closed with prayer by Elder J. E. McFarland, of Forest City.

The Rev. Mr. Latham has already endeared himself to the Rutherfordton congregation and the public in general and we bespeak for him a most successful and happy pastorate.

**QUIT GETTING UP NIGHTS**

**A Healthy Bladder Acts During the Day.**

C. N. Shuman, Republic, Ohio, says: "Before taking Lithiated Buchu (Keller Formula) I had to get up six or seven times each night. Now I do not get up at all. You may use my name if it would benefit anyone with bladder trouble." Be careful not to take drugs that check the action of the bladder. You may have to continue its use. Lithiated Buchu (Keller Formula) increases the action during the day. It cleanses the bladder as epsom salts do the bowels driving out foreign matter, neutralizing excess acids, thereby relieving the irritation which causes "Getting Up Nights." The tablets cost 2 cents each at all drug stores or Keller Laboratory, Mechanicsburg, Ohio. Also at Reinhardt Drug Co., Forest City.

**LITERARY CLUB**

Mrs. W. R. Harrill and Mrs. A. C. Duncan were charming hostesses to the members of the Literary Club, Division 1, for their final yearly meeting, May 13, at the home of Mrs. Duncan. Doggett; secretary treasurer, Mrs. Hoyle Elliott. A number of committees were appointed after which the hostesses served a tempting frozen salad with accessories emphasizing the rose motif. Assisting in serving were Misses Mary Frances Harrill and
