- All beginners in Forest City should meet at the grammar grade school building Monday, August 30, at 9 a. m. Also the pupils who failed to make their grade and pupils who have moved to Forest City since school closed, should meet with the beginners for classification.
- The seventh grade pupils and the other high school pupils who have moved to Forest City should meet at the high school at the same time stated above. The high school request includes all pupils in the Cool Springs Township schools. The new pupils should have an opportunity to see their rooms and get classified before school begins.
- It is suggested that all classified pupils stay away from the school buildings next Monday. We want

only the beginners, the seventh grade, and the non-classified pupils.

It would be a good idea for all classified pupils to get their books at an early date in order to avoid the rush. If all books are not at the People's Drug Store now they will be before school begins. Mr. Biggerstaff, of Bostic will handle the grammar grade books for the Bostic school.
