GOLDEN VALLEY

Bostic, R-3, May 25.—The annual memorial service was held Sunday at Golden Valley Methodist church, with an unusually large number present. The day was fair and beautiful and the crowd gathered early. At eleven o'clock **Dr. M. T. Hinshaw** the former president of Rutherford college, made a fine address and it was thoroughly enjoyed by his large audience. The cemetery was wonderfully decorated with white dirt, sand and flowers. Friends stated that it was the best day that they had ever had and that it would be a memory that will not be forgotten soon.

One of the worst hail storms hit this section that has ever been known. On last Friday night, it began at **Mr. Julius Self's** ruining his fine wheat and large peach orchard. It was in a streak and went on down Duncan Creek doing great damage as it went.

On Sunday evening about six o'clock **Mr. and Mrs. Dan Melton** went to Duncan Creek church and brought back to his home a handful of hail that had fallen on Friday evening. The friends who have their crops ruined by the hail storm have our sympathy.

Misses Malonia and Viola Gamble of Spindale, spent the week-end with their parents, **Mr. and Mrs. Zeno Gamble.**

Mr. Fletcher Rollins has returned home after an operation for appendicitis. He is getting along very well.

CRAWFORD HARDIN DIED FRIDAY

Funeral Held at Missionary Methodist Church Saturday—Writes Article on County Home.

Rutherfordton, May 25.—**Mr. Crawford Hardin,** aged 35 years, died at the Rutherford County home Friday morning at eleven o'clock, after suffering sometime with tuberculosis. Funeral services were held Saturday at the Missionary Methodist church, with **Rev. Hill Kiser** in charge of the service. Interment was in the Cool Springs cemetery.

Mr. Hardin is survived by his widow and five children.
The following article was written by **Mr. Hardin** three hours before his death, and was presented to The Courier by his brother, **Mr. Jeff Hardin,** and is printed here for its unusual interest:

Rutherford County Palace.
"Since I have spent ninety days in our county home as a sick inmate, enables me to say that the Rutherford county home is a real palace. We have one of the third finest buildings in the state. The building is equipped with hot and cold water, tub and shower baths, and the bath rooms have tile floors. The building is steam heated throughout, and has electric lights and hardwood floors. The food is nourishing and wholesome, and the county's dairy furnishes plenty of milk. Each inmate gets all the fresh milk they want three times a day if they so desire. One of the most important facts concerning the institution is the sanitary condition in which it is kept. You will find it is very clean at all times. I understand **Mecklenburg** county's home has a trained nurse. We do not have a nurse, but we have a matron that is almost equal to a trained nurse for she is always on the job. She plays a very important part with the sick. Our county is fortunate to have this matron in their employment, especially since she does not draw a salary. Her husband, the superintendent, draws a salary of course, and she tells me she will draw a crown for her service in the last day. I truly hope she will and it will be full of stars, for she is truly a noble woman. She is kind to the visitors, to the inmates and to all with whom she comes in contact. Our county home has been greatly improved since our present keepers have had it in charge."

During the last two and one-half months, County Agent **J. O. Anthony** of Harnett county has assisted his farmers to sell \$8,496.20 worth of live poultry in carlot shipments.

Twenty-two cars of fat hogs have been sold by Duplin county farmers this season. The last shipment of 619 animals netted the 56 owners a profit of \$9,831.61 cash.
