This Woman Lost 64 Pounds of Fat

Mrs. H. Price of Woodside, L. I., writes: "A year ago I weighed 199 lbs. I started to take Kruschen and now I weigh 126 and never felt better in my life and what's more, I look more like 20 years old than the mother of 2 children, one 19 and the other 18. Every one of my friends say it's marvelous the way I reduced."

To lose fat with speed take a half teaspoonful of Kruschen in a glass of hot water before breakfast every morning—don't miss a morning—an 85 cent bottle lasts 4 weeks—get it at the Peoples Drug Store and the Gray Drug Store or any drug store in America. If not joyfully satisfied after the first bottle—money back.

Farmers Hardware Co. has recently taken the national known line of Purina Checkerboard feed. This is considered one among the very best and nothing better. They make the price right.

Unnecessary, because Dr. Miles' Anti-Pain Pills relieve quickly and without unpleasant after effects; unwise, because pain makes your physical condition worse instead of better. One pill usually brings relief in a few minutes.

If you suffer from any of the disorders listed above, take Dr. Miles' Anti-Pain Pills. If they do not give you greater relief in less time than anything else you have used, go to your druggist and get your money back.
