

THE EXCHANGE

LAUREL, S. C. MAY 11, 1902

The meeting of the Tobacco Growers Association, held at the Hall building, meeting was quite a success. The average was increased 25 cents, making \$75 cents in all.

Mr. Dan J. Odum, a farmer near here, says one hundred bushels of the best potatoes were raised from 1/2 acre of ground. One of the potatoes weighed eight pounds.

Some think Foreign Missions don't pay. The McColl Auxiliary have a scholarship in the Mary Keener Lott, Mexico. This girl is not only a Christian now, but her father now preaches the Gospel, a sister is being trained, and the girl herself a successful help in the Kingdom.

Mr. J. A. Barber passed our village Saturday on route to Rockingham. A Thanksgiving story from Hamlet says "Somebody's pet dog got killed and somebody got curried mad."

Shot-Gun Prescriptions

We suppose we are not revealing any trade secrets when we say that many medicines are made up on the principle of the so-called "shot-gun prescriptions" which were formerly somewhat in vogue.

The most successful physicians we know use a more direct method. The medicine we sell over our own name and guarantee does the same. This medicine is called Vinol. It is the best thing we know for a run-down condition, for nerve troubles, for lung troubles, for weak women, pale children, and old people—in fact, it is a safe, pleasant, reliable tonic and reconstructer.

It is not a scattering "shot-gun prescription," but it goes straight to the mark, and has cured so many people right here in town, that it gives us confidence to sell it on an absolute guarantee, as follows: If you use a bottle and it does not help you, we'll give you your money back without a word of complaint.

Our weekly prayer meetings grow in interest. We are much in need of a bell—the old bell hangs now in one (fallen old friend) is literally worn out.

The teacher and pupils of our school will give an entertainment on the night of the 23rd. A small admission fee will be charged. Proceeds to be used in painting the school house.

Mr. Frank Henderson, has purchased the merchandise stock of Dr. Fry. Mr. Robert Sholer, of Parkton, is visiting Mr. Dan Monroe.

Shot-Gun Prescriptions

We could not afford to guarantee it so boldly if we had not seen it succeed in ninety-eight out of every one hundred cases.
