

Local Notes.

Miss Effie McRae was hostess to the Thursday Afternoon Book Club last week.

Mr. J. D. Bissell, of Kinston, is in the city and is the guest of his sister, Mrs. John Monroe.

Miss Emma Neal Covington left Tuesday for Marion, S. C., where she is visiting relatives.

Mrs. S. J. Wright, of Gibson, R. F. D. No. 1, spent a snort while in the burg Monday afternoon on business.

Misses Minnie May and Mamie Hammond have returned to Maxton, where they are students at Carolina College.

The opening of McKay street begins to look like a reality now, and the improvement is one that has long been needed.

We are glad to note that our friend and neighbor, Mr. T. B. Russell, who was quite ill during the holidays, is very much improved.

We are informed that the local lodge of the Knights of Pythias will give an oyster supper in the lodge rooms on next Wednesday night.

Rev. J. L. Fairly, of Fayetteville, spent the week-end here with his parents, Mr. and Mrs. Angus Fairly. He occupied the Presbyterian pulpit at the Sunday evening service.

We regret to note the illness of Mr. D. A. McDougald, who has been confined to his room for the past week suffering with a stubborn case of the grippe.

Mr. Ralph Morrison, of Laurel Hill, a member of the firm of the Mercantile & Machine Co., who are agents for the Ford automobile in Scotland county, was a business visitor to the city Monday afternoon.

The news of the continued improvement of Mr. R. E. Lee, who is undergoing treatment at Hot Springs, Ark., for rheumatism, will be received with much delight by the people of this section.

The Southern Express Company, for the convenience of their patrons, have opened a branch money order office at Everington's Drug Store. It is probable that another branch will be opened and will be located in East Laurinburg.

The large circle of friends of Mr. McNair Pate, son of Mr. and Mrs. Z. V. Pate, of Laurel Hill, will regret to know that he has never fully recovered from the effects of a case of pneumonia that he suffered some time ago.

Mr. Tel Harris and family, who have lived for sometime past at the Bissell home on Caledonia Road, have, we regret to note, moved away from Laurinburg, and have taken up their residence in Lower Stewartville township.

Mr. and Mrs. John Bissell and children have arrived from Oklahoma, where they have resided for several years, and are now occupying the Bissell home on Caledonia Road. The Exchange extends to them a real Laurinburg welcome.

The many Laurinburg and Scotland county friends of Mrs. E. H. Gibson will be glad to know that she has entirely recovered her health, and within the next few weeks expects to return to Laurinburg from Sanatorium, where she has been undergoing treatment for the past five months.

The Scotland County Teachers' Association will meet at Mason's Cross school house Saturday. The meeting is one at which there will be vital and interesting matters to the teachers discussed, and Supt. Peele is very desirous that there be a full attendance of the teachers of the county.

We are glad to note that Mr. W. A. McCormick and family, who left Scotland county several years ago to live in Bladen county, have returned to good old Scotland, and we suspect and hope that it is forever and forever that they will call Scotland county their home.

We have received notice from Mr. H. C. Stubbs, formerly of Gibson, R. F. D. No. 1, to change the address of his paper to Lumberton, R. F. D. No. 3. Mr. Stubbs is another of Scotland's good citizens who has cast his lot with our neighbors in Robeson county. We wish him much happiness and success in his new home.

The McKinnon brothers, Robert Martin, Murdock and John, of Laurinburg visited their aunt, Mrs. D. T. Hargrove Sunday afternoon. James Brown of the Calumet Seminary and Robert Lee McKinnon of Union Seminary, college mates at Davidson college had a pleasant meeting—His Items in Pee Dee Advocate.

Rev. John H. Hall, presiding elder, will preach at the Methodist church in Laurinburg next Sunday at 11 o'clock a. m. and at Caledonia at 3 p. m. He will hold the Quarterly Conference for Laurinburg at 10 o'clock a. m. Monday, at the church, and for Caledonia at 11 o'clock a. m. at the Parsonage.

The sale of cotton on the local market is very dull and has been for several weeks. This does not mean that all of the 1915 crop has been sold, as there is probably four thousand bales stored in Laurinburg's two warehouses, and this does not take into account the cotton that is stored in the country. There is probably one-fourth of the 1915 crop unsold.

Mr. J. A. McGregor, of Laurinburg, R. F. D. No. 1, was a Laurinburg visitor Friday. Mr. McGregor is one of the extensive cantaloupe growers, chippers and buyers in this section. He thinks that the prospects for the crop this year are not so gloomy as some seem to think. He says that the greatest danger lies in the fact that too many may be planned.

The Exchange is glad to chronicle the fact that Mr. and Mrs. I. C. Edgerton, formerly of Laurinburg, but of late citizens of Goldsboro, have returned to Laurinburg and will in the future make this their home. They will occupy the James McDougald residence on Church street recently vacated by Mr. and Mrs. Hinton James. Mr. Edgerton has a position as traveling salesman and will make Laurinburg his headquarters.

Messrs. Phillips & James, managers of the opera house, have secured an engagement with the big musical comedy success, "Night on Broadway," for Tuesday night, the 18th. This company, which is said to be one of the best of its kind on the road, and which is playing only the large cities in the state, had a night off between their Wilmington and Charlotte engagement, and the enterprising local managers were fortunate enough to secure the show for their Laurinburg patrons.

Rev. W. C. Barrett, of Gastonia, who was in Laurinburg the past week looking after the removal of the building on the corner of McKay and Main streets, will make some decided improvements in the building on this popular corner, as well as the adjacent buildings. The part of the corner building left will be made into a narrow store room and will have a press brick and plate glass front, as will the vacant building next door and the one now occupied by Mr. J. C. Morgan.

In our report of the completion of the new concrete reservoir for Laurinburg's water system in our last issue, we were led to say that the new reservoir had a capacity of 350,000 gallons. In this we were mistaken, and we should have said that the new reservoir and the tank at the old location of the city water and light plant and the water that was contained in cisterns at all times, gave us this amount of water, and that with this amount we would be enabled to fight fire with our full equipment for four hours without cessation.

After an illness of six months from a slight stroke of paralysis, during which time he was forced to give up his work as pastor of the Laurinburg Presbyterian church, Rev. J. M. Rose, D. D., resumed his work as pastor of the church last Thursday evening, beginning with the mid-week prayer meeting service. He also occupied the pulpit Sunday morning. It is the hope of this publication, as well as that of our large family of readers, that he will soon feel physically able to again take up the editorship of our "Religious Column."

Prof. O. C. Williamson, principal of the Laurel Hill school, was a Laurinburg visitor Saturday, and paid this office a visit. Prof. Williamson was the first person in Scotland county to organize a Moonlight School, he having conducted a most successful one last year at Laurel Hill. The day school at Laurel Hill is in a most healthy condition, there being 140 students enrolled. Prof. Williamson stated that he would open the moonlight school at Laurel Hill last Monday night, and had every assurance that it would have a large and interested patronage. The Moonlight Schools at both Brownsville and Gibson opened also on Monday night.

ANOTHER LINK WITH ROCKINGHAM.

Rockingham Citizens Add Their Praise.

Another link with our neighboring town of Rockingham is provided in the following grateful and generous statement of a well-known resident there, Mr. E. J. Hale, retired farmer, who says: "Doan's Kidney Pills are a household remedy with us. I take them occasionally, when my back bothers me and my kidneys aren't acting as they should and I have found them to be all they are claimed to be. We try to keep a box of Doan's Kidney Pills on hand all the time to have in case of need."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hale had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

MAN AND WIFE DESCRIBE NOW THEIR TROUBLES HAS VANISHED.

Mr. Henry Hall Testifies for Wife and Himself—Wife Gained 10 Pounds—Merchant Says, I Feel Like a New Man.

It is seldom that two members of a family are benefited by the same medicine, but the exception is found in the case of Mr. and Mrs. Henry Hall, merchant of White street, Winston-Salem, N. C.

"I suffered for years," Mr. Hall said, "with the most severe pains in my back. I was down for weeks at a time and could find nothing to relieve me. I had no appetite, I lost weight rapidly, until I feared something very serious was the matter with me."

"Tanlac was recommended to me by friends who had been benefited by the new medicine. I bought a bottle and noticed a marked improvement after taking the first bottle. That was several weeks ago. I have increased in weight and never felt better in my life. I have the most ravenous appetite imaginable. Work which formerly was so irksome, is now a real pleasure."

"My wife also used three bottles of Tanlac for stomach trouble and gained 10 pounds. We think Tanlac is a great medicine and are glad to recommend it to all who suffer as we did."

Tanlac, the famous medicine is sold exclusively by Blue's Drug Store in Laurinburg.

Grateful Mothers Tell Experiences

Mrs. T. Neuman, Eau Claire, Wis., writes: "Foley's Honey and Tar Compound cured my boy of a very severe attack of croup after other remedies had failed. Our milkman cured his children of whooping cough. I recommend it to every one, as we know from our own experience that it is a wonderful remedy for coughs, colds, croup and whooping cough."

Mrs. D. Gilkeson, Youngstown, O., writes: "My little girl had a severe cold and coughed almost continuously. I tried lots of cough remedies, but she didn't get any better. My sister recommended Foley's Honey and Tar Compound to me. The first dose I gave her relieved the inflammation in her throat, and after using one bottle the cough left her. This starting old remedy has been in use for years and is just as efficient for adults as for children. It gives relief for irritated and tickling throat, light and sore chest, grippe and bronchial coughs."
