The latest news from Mr. E. K. Lee, who is a patient in the St. Joseph's Infirmary, Hot Springs, Ark., is that he is rapidly improving, is fast regaining his strength, and expects to soon be able to leave his bed.

The next attraction booked for the local play house is The Greater New York All Star Minstrels. They appear February 9th, and on March the 7th we will have "Hen Packed Henry."

We regret to note the illness of Mr. John Shaw, who is confined to the home of his mother, Mrs. Bettie Shaw, on Church street. Mr. Shaw is suffering from the effects of a severe case of the grippe.

partnership with Mr. W. H. Cherry, who is an expert at deep well drilling. The firm will do well drilling on a large scale, and will be known as Maxwell & Cherry.

We are glad to note that Mr. D. A. McDougald, who was quite ill for a week with that popular disease, grippe, has sufficiently recovered to resume his duties as manager of the affairs of the firm of M. A. McDougald.

The grain report up to January 1st, shows that Scotland county has gained 25,774 bales against 23,009 bales at the same time last year. The shortage in the county was 6,535 bales. In the State there was a shortage as compared with January a year ago of 115,531 bales.

The improvement, both inside and outside, at Blue's Drug Store, has made a wonderful change in the appearance of the place. The new front that displaced the old one and the complete renovation in the interior has added much to the good looks and pleasing appearance of this popular drug store.

It will be with sincere regret that the people of Laurinburg and this county will learn of the illness of Dr. D. M. Peelle. Dr. Peelle suffered a chill Sunday night and since that time has been confined to his home on Church street. At this writing we are glad to note that he is somewhat improved.

A musical concert given by the members of the Laurinburg Normal and Industrial Institute (colored) on Friday night last, was largely attended by the white people of the town, according to the reports coming from a demonstration of interest that not only pleased, but also delighted their white friends.

Mr. Everett Covington has accepted a position with the Scotland Supply Co., at Johns.

Mr. J. B. Maxwell has formed a The Bostick Mule Co., as will be seen in their page advertisement elsewhere in this issue, are going out of the harness and vehicle business. They will conduct an auction sale to dispose of their large stock in this line, on Saturday. This does not mean however that they are going out of the stock business.

The Exchange is pleased to note that Mr. and Mrs. Angus Lytch are now making Laurinburg their home, having just moved in from the country where they have lived since their marriage. They are occupying the McGeachy home on West Church street, which was recently vacated by Mrs. S. M. McArthur, who is occupying the house recently vacated by Mr. and Mrs. E. S. Rudd.

Sam Douglas, colored, of Moore county, was up before United States Commissioner H. L. Guthrie, on Saturday, charged with operating an illicit distillery near Keyser. After hearing the evidence the commissioner bound the defendant in a bond of \$350 for his appearance at the next term of the Federal court at Laurinburg, Ex-Judge W. H. Neal, of Laurinburg, represented the defendant.—Piedmont Dispatch.

Laurinburg's new fire truck has been received and has every appearance of being an up-to-date and complete one. With this added to our fire fighting facilities and with the greater amount of water with which to do the fighting, Laurinburg is better equipped to fight fires than ever before. Nobody wants to see a blaze, but if one comes, we will all feel safer about our ability to successfully fight it.

The musical comedy "Night on Broadway" was presented here on Tuesday night by Mr. Harry Emerson supported by a strong company of players. The production met with the instant and loud approval of the audience witnessing it. Mr. Emerson is a comedian of extraordinary ability and kept the audience in an uproar the entire evening. This show is one of the best that has visited Laurinburg in many seasons, and Mr. Emerson can be assured of a substantial welcome when he comes this way again.

Our friend Mr. Bob Gibson, of the St. John neighborhood, called us over the phone Monday to tell us of a dog killing that had been held in that section. It is the habit, and a good one, of the people in that section to let the

dogs work their way, and especially when it comes to raising big hogs. Mr. Gibson reported that Mr. C. B. Smith had just slaughtered seven porkers, the combined net weight of these being 2,020 pounds. He also stated that Mr. J. L. McLaughlin had killed one that tipped the scale at 406 pounds net. The largest of Mr. Smith's weighed 406 pounds. Mr. Gibson added after telling us this good news that he wanted us to call on Weather Prophet J. L. Peelle, of the Sneed's Grove section for a report of something worth while from his neighborhood.

Mr. John Monroe, son of Mr. W. M. Monroe, of Laurinburg, R. F. D. No. 2, who, our readers will recall, was so severely injured the past summer while in bathing at the Fairly mill pond, we regret to note is steadily growing weaker all the while. Mr. Monroe, who was quite a stout man, went to the pond to go in bathing and in diving from the bank struck his head and shoulders against some object or the bottom of the pond sustaining a fracture of his spinal column. The shock paralyzed his body, and despite the fact that he has had every care and attention, including the treatment of a specialist, he has been in a helpless and hopeless condition since the accident. His body has wasted away and his strength is rapidly fading. The young man, who is well known here, having had charge of the fire house for some time, and his stricken loved ones have the sympathy of their friends, who are many.

Death of Mr. Farham.
Many Laurinburg people were saddened with the announcement of the death of Mr. A. S. J. Farham, which occurred at his home at Hamlet early Saturday night.

Mr. Farham's son-in-law, Mr. Martin Brown, of Hamlet, came to Laurinburg Saturday afternoon and was here visiting his brother, Mr. D. B. Brown, at the time of his death, which was caused by a ruptured blood vessel. He only lived one hour after being stricken.

Mr. Farham and his family are well known here, where they resided for several years, going from here to Hamlet.

The funeral was held Sunday afternoon, and was attended from here by Mr. D. B. Brown.
