REV. C. J. WOODSON HAS STRONG STATEMENT FOR THIS PAPER

Comes Out in Open Letter and Asserts His Belief in the Master Medicine---Tanlac Wrought Wonders in His Case.

"For years I have been afflicted with indigestion in a malignant form, but never derived any appreciable benefit from any medicine until I commenced taking Tanlac, which has wrought wonders in my case. I feel that I have been, in a measure, rejuvenated by its invigorating effects upon my entire system. I have now more vitality, energy and elasticity than I have had before in a decade, and am now 66 years young. I have used several bottles, and can conscientiously recommend it to any one suffering from indigestion, and consequent debilitation."

(Signed) REV. C. J. WOODSON, Shelby, N. C., Dec. 11th, 1915.

Rev. Woodson was so thoroughly benefited and the results from the use of Tanlac being so prompt and effective that he felt it his duty to suffering humanity to tell of his experience with the Master Medicine. Tanlac, the famous medicine referred to by Rev. Woodson, is sold in Laurinburg exclusively by Blue's Drug Store. Price \$1.00 per bottle.

William Collins, a bachelor, residing in New York city, has advertised for a baby girl with golden curls and blue eyes for adoption. He declares he would rather adopt a baby girl than marry the prettiest girl he ever saw. Mr. Collins has a housekeeper who will assist in caring for the adopted child.

CALOMEL DYNAMITES A SLUGGISH LIVER.

Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headache, constipated and all knocked out, just go to your drugist and get a 50 cent bottle of Dodson's Liver Tonic, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than any other remedy, without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of energy and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

Mr. Mark Morgan.

The publisher of the Citizen, with his many other friends in this community, join their grief with that of the family in the death of Mr. Mark Morgan. He was a friend to our town and college. "Morgan Hall" at Flora Macdonald College was his gift and named in his honor; besides, he made numerous contributions to other worthy things of this institution and was a trustee for several terms. The Morgan Oil and Fertilizer Co. bears his name for the part he took in its construction, and the Military Academy of Red Springs received his support and financial aid from its first to its last days. Saint Stephens' Episcopal Church also received a liberal donation from him when it was being built. These are only a few of the many good turns he made in this community. His purse followed his friendship in many instances we could relate; they extended to the individual. For one year Mr. Morgan helped us to finance the Citizen under the firm name of Morgan & Branch. It was when he wanted us to enter a larger newspaper field, that the dissolution in business came, but not of our friendship, for that held out to the end, and today it is our best asset.

It was at home where his life shone the brightest and sweetest. With a loving and devoted wife, who started life's journey with him and kept over at his side afterwards, he led the simple, quiet life. His home was open to the rich and poor alike, and its hospitality had no bounds. In business Mr. Morgan was honest and lenient, and it was only by persistent toil and prudent management that his accumulations grew to such a vast extent. He made his wealth a blessing to others. Mr. Morgan's life work is ended; he rises to better things. Peace to his ashes.---Red Springs Citizen.

The Store That Satisfies

His Sixteen Years' Suffering Now Ended

"I can say with the greatest of pleasure that Foley Kidney Pills were the best thing that gave me relief in sixteen years." Mr. G. W. Henderson of Dixie, Miss., says more than that too. He suffered with cystitis (inflammation of the bladder). It went on until he reached the point where he had many weak spells, and sometimes he would almost faint with pain. Of course he doctor'd, went all to the medical men, and drank waters of different kinds, which altogether cost him a large sum of money. Still no permanent relief. Now comes a friend who recommends Foley Kidney Pills, and after using half a dozen bottles his pains are all gone, he is soundly all right.

When kidney and bladder trouble comes on you can either suffer the pain and when it comes, have frequent, painful secretions and a burning sensation, take Foley's Kidney Pills at once and you will cure Mr. Henderson's sentiments.
