## Miss Riley Weds.

With only a few friends and immediate relatives in attendance, Mr. Hugh Edwin Whitted, son of Mr. and Mrs. J. M. Whitted, and Miss Roxie Mae Riley, daughter of Mrs. John Jefferson Riley, two of the city's most popular young people were married Monday morning at 10:30 o'clock in the home of Mrs. T. H. Lawrence, 815 Watta street, a sister of the bride.

The ceremony, performed by Rev. H. M. North, pastor of the Memorial Methodist church, was simple but impressive. There were no attendants plans for the marriage having been kept practically a secret from every one save intimate friends and relatives.

Miss Riley was dressed in a pretty blue traveling suit and wore a cascade bouquet of bride's roses and lilies of the valley. Her champagne shoes and blue hat, with gloves to match, formed an unusually attractive combination.

Following the ceremony Mr. and Mrs. Whitted, amid stormy congratulations, left for the Union station where they boarded the Seaboard for Norfolk to make their home there during the summer.

Mrs. Whitted has for many years been looked upon as one of Durham's prettiest and most attractive young ladies. She is the daughter of the late John Jefferson Riley, who for years prior to his death was a leading tobacco man of the city. Mrs. Whitted graduated from the Durham high school.

Mr. Whitted is one of the city's most popular young men. He was for many years a leader in Durham high school athletics, and has for the past three years played league baseball, being a brother to George Whitted, the outfielder of the Philadelphia National league team. He is at the present time a member of the Norfolk team of the Virginia league and will play there this summer.—Durham Herald.

## Search the Scriptures.

Some years ago an old man in New Jersey found \$5,000 scattered in bills of large denomination through the family Bible. In 1874 this man's aunt died and a paragraph of her will read as follows: "To my beloved nephew I will and bequeath my family Bible and all it contains, with the residue of my estate after my funeral expenses and just and lawful debts are paid." The estate amounted to only a few hundred dollars, which was soon spent, and her nephew, neglecting to read the Bible, did not find the treasure put there for him. He lived in poverty all that time, and it was while packing up his things to remove to his son's home for the remainder of his days that he discovered the money. How many people miss the precious treasures that are placed in the Bible for them by a failure to read its pages! How many rejoice in having found Christ in the blessed Book worth more than all the money of all the banks, the pearl of great price worth more than all the costly jewels of the earth! Christ thus bids us all to secure this wealth: "Search the Scriptures; for in them ye think ye have eternal life, and they are they which testify of me."—The Christian Herald.

## DON'T LEAVE LAURINBURG.

No Need to Seek Afar—The Evidence is at Your Door.

No need to leave Laurinburg to hunt up proof, because you have it here at home. The straightforward statement of a Laurinburg resident like that given below, bears an interest for every man, woman or child here in Laurinburg.

J. H. Sanford, broker, Main street, Laurinburg, says: "I have found Doan's Kidney Pills fine for kidney disorder and I always say a good word for them. When my kidneys cause me any trouble, a few doses of Doan's Kidney Pills relieve me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sanford had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

North Carolina now has 22,871 automobiles, of which number 1,100 were added to the taxable wealth of the state the last month. The investment in machines has grown remarkably and no month has seen such a spurt as the last. Gullford leads the state now with about 1,400.

Mr. C. C. Hollingsworth of Magnolia was carried to Goldsboro, to the hospital Saturday for treatment and it is said, he is not expected to live. ## ABLE TO LAUGH AGAIN AT ANTIC CHARLIE CHAPLIN

Dyed-in-the-wool Movie Fan Tells of His New Gained Punch.

R. A. Davis is again able to laugh at Charlie Chaplin.

Mr. Davis is Durham's leading movie fan and is the popular manager of that city's leading motion picture theater.

For many months the comic, Theopian and diverse offerings of Charlie Chaplin and others of the film headliners failed to move the delight of Mr. Davis though he saw their work many times daily.

"It is not so now for Mr. Davis says: 'Tanlac has given me a new punch.'

"Three bottles of Tanlac have accomplished for me what other medicines failed to do. I am no longer subject to improper digestion, nervousness, poor appetite and sleeplessness. Then too, Tanlac has helped me gain weight."

"I tell about Tanlac's good work for the new punch it has given me." Blue's Drug Store sells Tanlac exclusively in Laurinburg, and the W. Z. Gibson Drug Co. in Gibson.—Adv.

## EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is Quicksilver and Acts Like Dynamite on Your Liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.—Adv.

The Supreme Court has granted a new trial to Melvin Horns, convicted in New Hanover Superior Court of first degree murder in the killing of D. L. T. Capps and sentenced to death. Horns' attorneys based their appeal on an exception to the calling in of an expert on insanity by Judge Rountree, of his own motion; and the fact that he too warmly commended to the jury the testimony of the expert.

Governor Craig Saturday pardoned John T. Dorsett, blockader, of Durham county, who has served three months of a sentence of six. The reasons are that the prisoner did not appear to have gone into the business of making whiskey but was induced by some friends to make it. He had shown a good character otherwise. Judge Oliver H. Allen recommended the pardon.

### TRADE AT HOME.

A bale of cotton covered with pine straw bagging was marketed at Monroe a few days ago and the Enquirer recalls that it was the first pine straw bagging seen on that market since 1899-90, when the fight was on against the jute bagging trust. Along about that time a pine straw bagging factory was established at Wilmington, but its product was not used after the contest with the jute bagging people.
