Local Notes

Mr. W. T. Covington of Raeford was a week-end visitor in the city.

Messrs. A. H. James and J. McN. Pate were guests Tuesday evening at a dinner in Charlotte given by the Automobile Dealers' Association of that city.

Rev. Chas. R. Bailey, pastor, announces that there will be services at the Gibson Presbyterian church this Sunday morning at 11 o'clock. All the community is invited to attend.

Mrs. Rosa Tillman received a card Saturday from her husband, Mr. Edward J. Tillman, announcing his safe arrival overseas. Mr. Tillman's overseas address is: Base Hospital 108, American Expeditionary Forces.

It is announced that Rev. C. B. Austin, pastor of the First Baptist church of Mooresville, will preach this Sunday morning and evening at the Baptist church in this city. The public is invited to hear him.

It is announced that there will be a call meeting of the Woman's Missionary Society and the Y. W. A. at the Baptist church Friday afternoon, November 29, at 3:30. All members of these organizations are asked to be present.

Miss Mary F. Bostick, daughter of Mr. P. T. Bostick, Laurinburg, route 1, returned to Wingate Monday to resume her work as teacher in the Wingate High School, which institution has been closed for a few weeks on account of the "flu" epidemic.

Mr. M. L. John, commissioner, is advertising for sale at auction the Bundy property, which will be sold on Monday, December 2, at 10:30. This property includes the ground now enclosed as a ball park on Railroad street and other vacant lots near, with one lot fronting on Main street at Everington's drug store.

The annual meeting of the Woman's Missionary Union will be held in the First Baptist church Tuesday afternoon, November 26, at 3 o'clock. Mrs. C. T. Willingham, a returned missionary from Japan, will make an address. A cordial invitation is extended to the ladies of the several missionary societies to be present at this meeting.

Lewis Caison, son of Mr. H. L. Caison, of East Laurinburg, is seriously ill with pneumonia at Camp Kearney, California. Wednesday morning Mr. Caison had a message from the physicians there saying that his son's condition was slightly improved but was still serious. Young Mr. Caison volunteered in the regular army over four years ago and for a time was stationed in the Hawiian Islands.

Mr. T. C. Everett, chairman of the local exemption board, states that the 18-year-old registrants should bear in mind that they are required to file their questionaires, promptly with the local board. It appears that there is some misapprehension as to this rule and the questionaires of the 18-year-olds are not coming in as promptly as they should. Failure to file the questionaires properly filled out will result in serious consequences for the registrant of this age. The local board has received orders to discontinue the physical examination of registrants of Class 1.

Mr. P. H. Livingston of the Snead's Grove section is one of Scotland's most successful farmers and Monday Mr. Livingston killed 4 1-year-old pigs which netted an average of 340 lbs. each. These pigs, it is stated, were exactly twelve months old Friday of last week. One of them was sold in Laurinburg Monday evening for 25 cents a pound, or $85. Experienced market men here say they believe these are the finest pigs of their age ever seen here. Mr. Livingston believes in "hog and hominy" and his works bear out his faith.

Messrs. Jasper T. and Ralph E. Gibson returned Monday evening from a trip of several days to Detroit, Michigan. The return trip was made across country in Dodge cars and good roads all the way with the exception of a small stretch in northern Virginia is their report. Mr. J. T. Gibson states that he noticed particularly a large sign just in front of one of the big automobile factories in Detroit which read: "The South is running the war; the North is paying for it. Vote the Republican ticket." This is the kind of "dope" the republicans handed out in the North and West to win votes at the recent election.

THANKSGIVING SERVICES.

To all who feel an interest in and sympathy for orphan children: You may expect Thanksgiving services on November 28th at Snead's Grove and Rashed at 11 a. m. The hours of service at Tabernacle and Old Hundred will be announced at the regular appointments at those churches next Sunday, November 24. Please be present and get them.

GEO. T. SIMMONS, Pastor.

WORKERS ARE NEEDED AT RED CROSS ROOMS.

The sweater and sock wool has arrived and is at the Red Cross headquarters. Those who have read the "briefs" have seen how urgently they are calling for the knitted articles. The boys are just as cold as they were last winter, and they are in the service of our country now as much as then. Let's not forget them. There is great need of workers to knit socks and sweaters and help with other work that must be finished soon. All who will help are urgently requested to present themselves at the Red Cross work rooms. If you do not wish to work at the rooms, you may take the work to your home and do it there. Your help is needed now.

The Southern divisional headquarters at Athens has sent out the following instructions regarding the mailing of Christmas packages to the boys in the service:

1. The mailing date has been extended through November 30.

2. The War Department has authorized the American Red Cross to have printed sufficient additional labels, exactly similar to those received from abroad, to be furnished on request by Chapters to individuals who have not received labels from abroad, or whose labels have been lost or destroyed.

3. Applicant for label is required to make affidavit similar to that required for parcels addressed to war relief organization workers, and file it with Chapter official issuing label.

4. This arrangement is effective November 21 and not before.

The rule of one box to a man still holds good, and Chapter officials are requested to see that the spirit as well as the letter of the request of the War Department is obyed.

A supply of labls which we deem sufficient to meet your needs will be sent to you within the next few days, together with printed forms of the affidavit. If you need additional labels they will be supplied on request. We urge your close cooperation and ask that you take every precaution to see that two labels are not issued for one soldier. Be sure that affidavits are on file in your Chapter offices for every label issued.

It is feared that, do our best, millions of people in Poland, Finland, Roumania and Russia must perish from starvation during the next few months. We will be held blameless if we do our best but unless every individual in this country does his utmost it will be to his everlasting shame.
