

WOMEN PRAISE STELLA-VITAE

We want every afflicted woman to try at least one bottle of Stella-Vitae on our plain, open guarantee to return the money paid for it if it does not benefit.

If you doubt our word that it will relieve the distressing aches, pains and misery peculiar to the diseases of women, read the testimony of these women who have tried it and are glad to tell others what it has done for them. The only interest they have in the matter is that which any true woman feels in helping to relieve the sufferings of other women. You can believe them.

Mrs. J. F. Lee, Milledale, Ga., had female complaint for years. Three bottles of STELLA-VITAE cured her, she said, and added, "I am certainly thankful for this great female tonic." Mrs. Frances Frazier, Longview, Tex., expressed appreciation of STELLA-VITAE in these words: "I cannot say too much for this wonderful medicine. I have taken other female medicines for two years with no good results. I am truly grateful for the good STELLA-VITAE has done me." Mrs. Sandy Withers, of Greensboro, Ala., was a terrible sufferer from female trouble—and only a woman knows what that means! Her condition got so bad her pains threw her into spells like fits. Her husband feared she would lose her mind. The Greensboro doctors pronounced her incurable. Then somebody suggested that she take STELLA-VITAE. She did so. The first dose lightened her spells. STELLA-VITAE is a perfectly harmless compound and it not only alleviates a woman's pain, but builds up her health; it stimulates her appetite, aids digestion, quiets her nerves and clears her complexion. It improves her personal appearance.

All druggists sell Stella-Vitae, and are authorized to return the money paid for the first bottle if it does not benefit.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly intensified by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by J. C. Chamberlain & Co., Toledo, Ohio, is a constitutional remedy, it takes internally and acts thru the blood on the mucous surfaces of the system. One hundred cures cannot be offered for only one cure. See Hall's Catarrh Cure (also in circulars and testimonials) sold by druggists and testimonials. F. J. CHAMBERLAIN & CO., Toledo, Ohio. Sold by Druggists, etc. Hall's Family Pills for constipation.

No Worms in a Healthy Child

All children afflicted with worms have an unhealthy color, which indicates poor blood, and as a result they are nervous, irritable, and do not thrive. GIVE THEM WORMS OUT OF THEIR SYSTEM. Give them a few of these pills and you will see the blood improve the complexion, and get a general thoroughness to the whole system. Worms will be driven off or chased the worms, and the child will be in perfect health. Pleasant to take. 50c per bottle.

SEVERAL KILLED IN MOB RIOT AT WINSTON-SALEM.

Troops From Charlotte and Raleigh Rushed to Twin City Sunday Night.

Winston-Salem, Nov. 17.—At least five persons are known to have been killed in a riot here tonight which resulted from the efforts of a mob of several thousand men to storm the city jail and lynch a negro accused of shooting J. E. Childress and Sheriff Flynt and attacking Mrs. Childress last night. The police believe that a detailed search tomorrow will show that at least seven persons and may be more were killed.

Upwards of a score of persons are believed to have been injured, five or six of them seriously. They are mostly white persons and include two members of the home guard, which was called out when the mob made its second visit to the jail after shooting a negro and accidentally wounding a white prisoner in the afternoon.

The known dead are:

Rachel Levi, a young woman bystander, and Robert Young, a fireman and three negroes.

The more seriously injured include Margaret George, Linwood Heeler, John Rumpier, citizens, and Frank O'Brien and R. T. Hawley, members of the home guard; Charles White, shot and seriously hurt; Jules Stitch, Cecil Alley, J. J. Adams.

According to the police the negroes were killed in outlying districts where indiscriminate shooting continued for several hours after the mob had dispersed, following a pitched battle between it and the home guards and firemen who turned the hose on the crowd when it reached the jail the second time.

At midnight the worst of the trouble seemed to be over and the police expected to have the situation in hand by the time troops from Raleigh and Charlotte reach here early tomorrow.

Five of the more seriously injured, including two members of the home guard, were taken to hospitals, but many others were treated at their homes. The total number of injured was not known and the police would not even hazard an estimate.

The mob first formed this afternoon about 3:30 o'clock and stormed the jail. Three shots were fired and the negro accused of shooting the two men and attacking Mrs. Childress was seriously wounded, while a white prisoner named Tragg also was hit in the arm by a stray bullet.

After some difficulty the police succeeded in clearing the crowds out of the buildings and then the mayor called out the home guards. Quiet reigned for a time, but later the report went out that the negro shot was not the man that had been sought. By nightfall the mob had re-formed and started marching to the jail which was surrounded by home guards.

Hardware stores were broken into and revolvers, shotguns and other weapons and ammunition taken. As the mob marched it increased in size and when its objective was reached it numbered several thousands. The mayor sought to address the crowd, but could not be heard. In the meantime fire companies had arrived and when the mob broke for the jail the firemen turned water on them.

Firing immediately followed and Young was shot dead. A bullet hit Miss Levi, who was watching nearby. The home guards answered the volley, but the mob quickly overpowered them and went into the jail. Two members of the guard were badly hurt by being thrown bodily down a stairway which they were guarding.

Apparently the mob did not find the negro it sought for no more of the prisoners were fired upon. After an hour or more the mob left the jail and started marching through the business section of the town. Gradually it broke into groups and for a time it was feared that there would be a race riot, as some of the groups headed for the negro quarter. Late tonight, however, there had been no clash between whites and blacks.

Physicians and druggists are elated over the fact that they have at last found a genuine and dependable remedy for colds, sore throat and influenza. For years they have depended chiefly upon the old style calomel, which is certainly fine, but unfortunately many people would not take it because of its nauseating and dangerous qualities.

Now that the pharmaceutical chemists have perfected a tasteless calomel, called "Calotab" whose medicinal virtues are vastly improved, the doctors and druggists are claiming that Calotabs are the ideal remedy to abort a cold over night and cut short an attack of sore throat or influenza. They are also finding it most effective as the first step in the treatment of pneumonia.

One Calotab on the tongue at bed time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating or your work and pleasure. The next morning your cold has vanished and your whole system is purified and refreshed. Calotabs are sold only in original sealed packages; price thirty-five cents. Your druggist recommends and guarantees them by refunding the price if you are not delighted.

MILITARY AND POLICE HAVE SITUATION IN HAND.

Winston-Salem, Nov. 18.—With soldiers policing the city tonight, no further trouble was expected by authorities in maintaining order after the rioting yesterday when a mob attempted to lynch Russell High, a negro, held in jail here on charges of shooting J. E. Childress and attacking Mrs. Childress.

Mayor Gorrell issued a proclamation this afternoon calling upon the people to remain in their homes between the hours of 7 p. m. and 6 a. m. Persons on the street after that hour were liable to be searched by the troops and if weapons were found on them they were to be placed under arrest.

A large body of soldiers is encamped on the courthouse square, and the military aspect of the scene is enhanced by the presence of an army tank brought from Camp Polk, at Raleigh.

The home guard from Greensboro sent here at the instance of Governor Bickett, as well as eight or ten policemen sent from the same city, were released when the regular troops arrived.

The work of the Winston-Salem home guards is being highly praised. For hours they stood the gibes of members of the mob, volleys of stones and later bullets with the greatest patience and coolness, and it is the opinion of officials that their effective work did much to reduce the casualty list Sunday night.

Official reports give the number of deaths at three, although one of the wounded men died early Monday. Ten were wounded, more or less seriously, although others not identified received wounds also.

Pierce Hammonds, Ira Whitaker and Frank Hester were arrested by officers this afternoon charged with inciting a riot growing out of the trouble here Sunday and their bonds were fixed at \$5,000. Hester gave bond. Three others, Vernon Huffman, Reely Donald and Edward Shouse, are also in the city jail charged with inciting a riot. Several of these arrested were armed.

The cases will probably be heard together with about fifty other cases, most of them for carrying concealed weapons.

The troops sent here from Charlotte and Greensboro lost no time early this morning in their task of restoring order and most of the people on the streets were searched. If firearms were found on them they were promptly placed under arrest.

Solicitor S. Porter Graves, is in the city to confer with officials relative to steps to be taken to bring the members of the mob to justice.

Influenza, Coughs and Colds Relieved By Ironized Paw-Paw

Taken According to Directions After You are on the Road to Recovery Will Restore Your Strength, Vim and Appetite

After your physician has pronounced you out of danger, you need a tonic to build you up. You can do no better than go to the nearest up-to-date drug store and obtain a bottle of Nux-Iron-Paw Paw compound—take it strictly according to directions—see tables on page 3 or 4 times a day. You will quickly find that the wine basis and ingredients in this remedy will materially aid you in restoring you to your former activity and health. This compound contains no alcohol or whiskey except the ordinary strength of the port wine used in its manufacture.

All we ask is, take it according to directions. If you are run down, nervous, debilitated or constipated you will find quick relief and ultimate recovery of health.

In your anxiety to get better quickly, don't overdo it, as many sufferers do, and take larger doses of this standard remedy. It will not act any faster and you will not receive the same benefits from its use you otherwise would.

Your druggist possibly keeps it, but if he doesn't, it is sold in Laurinburg by Blue's Drug Store. If taken according to directions and not as a beverage, it will be found superior to any tonic, having a quarter of a century's unqualified endorsement from people all over the world. In Ye Olde Dayes Folkes Knew Goode Coffee

When I think of Luzianne, I think of the good old days when you gathered about the fire for a drink and a snack, and demanded that coffee be as good as you had.

That's the kind you get today when you drink Luzianne. Just try it. It doesn't taste better than any other coffee, you've got a real "kick" coming to you, and your grocer will refund every penny you paid for it.

See in line with the thousands of good people who drink Luzianne regularly. Buy some today, in the old-fashioned, country way.
