OUR CLUBBING LIST.

We will send the ROANOKE-CHOWAN TIMES and either of the following journals, both one year, for the price named:

- North Carolinian, Farmer and Mechanic, \$1.75
- Home and Farm, 1.25
- Atlanta Constitution, 1.50

At last Thursday's election Rich Square township gave a clear majority for the whole Democratic ticket for the first time in forty years. The vote was more than two to one in favor of the Democrats.

The new Northampton board of county commissioners, elected last Thursday and to qualify first of December, is one of the best the county has had for years. They are well selected as to occupation, three of them—Powell, Parker and Martin—being farmers and the others interested in farming. They are men who have been successful in managing their own affairs and they will be careful and economical in disbursing the county funds.

NORTHAMPTON will be well represented in the next Legislature. Representative Harris is a young man of ability and sound judgment, a practicing lawyer, but who was brought up on a farm and knows the needs of the people. Senator Calvert is also a man of ability and large experience. His large acquaintance with men and affairs will enable him to make just decisions on the important questions to come up in the Legislature. Both Mr. Harris and Mr. Calvert are broad minded men who will not be hasty in forming opinions or arriving at conclusions, and we believe they will work for the best interest of the entire State. They will go to Raleigh unpledged to any man, clique or combination, save to work for the best interest of the entire people, and our people can rest assured that they will be instrumental in getting through no legislation that will be hurtful to their interest without due notice being given that all may be heard.

We are pleased to chronicle that the condition of Mrs. F. E. Whitehead near Harris Shop, who has been critically ill, somewhat improved.

Rev. Dacey Cale, pastor of Elam church, is in the midst of a revival with that church this week. He is being assisted by Rev. L. M. Curtis.

Mrs. W. Y. Gay and daughters Misses Bena and Ruby, Misses Willie Stephenson and Ida S. Gay, all of whom have been at the Panna oca Springs for some weeks, have recently returned home.

Misses Bessie Shuf, of Petersburg, and Nannie Bick of Brunswick county, Va., who have been on a visit to Mrs. T. J. Stephen, one of our young men is wearing a very long face.

A member of Concord M. E. church requests us to announce that they will observe Children's Day exercises at that place next Tuesday, August 14th. The public are cordially invited. There is every reason to believe that there will be a large crowd in attendance as "old Concord" never does anything by halves and the hospitality of her members is unbounded.

The third Quarterly meeting for Garysburg circuit will be held with the Methodist church here next Saturday and Sunday morning; also with the church at Pleasant Grove Sunday afternoon and Monday morning. Presiding Elder Underwood will be on hand and do the preaching which is sufficient inducement for everybody to attend. Pastor Fisher is away on a visit to his mother.

Aunt Millie Doles, aged 76 years, a very highly respected colored woman of this place, died of paralysis at the home of her daughter, Dora Barner, a few days ago. The deceased was a member of Mt. Carmel Baptist church for a number of years. Several years after she removed her membership to Mt. Zion church near Margerottsville. She was a servant of "ye old time" which we must say is growing painfully few; she was always polite and obliging and will be sadly missed.

Murfreesboro Letter.

Mr. J. L. Adkins and wife of Norfolk visited here last week.

The visitors that were in and around town last week are too numerous to mention.

Miss Annie Scarborough spent last week with Mr. George A. Brown's family in Wintou.

Miss Annie Gray, of near Franklin, is visiting the Misses Chitty near town.

Miss Mary Lawrence is visiting her brother, Mr. L. C. Lawrence Jr., of Roanoke Rapids.

Mrs. Fannie Payne and little son Roy are spending the summer with Mr. and Mrs. G. D. Payne.

Rev. G. P. Harrill, not being well, Mr. J. C. Scarboro filled his appointment at the Baptist church last night.

Mr. and Mrs. Henry Johnson received a nice lot of fresh fish today presented by Mr. W. B. Knight of Rich Square, which were highly appreciated.

There was a protracted meeting held at Meherin church last week conducted by Rev. C. W. Scarboro which resulted in much good being done. There were large crowds present and all seemed to enjoy the meeting. Six came forward as candidates for baptism. The baptising will take place the first Sunday morning in September at Worrell's mill.

Dr. J. A. Speight filled his regular appointment at Meherin Saturday and Sunday last and preached two of the sweetest sermons the writer ever heard. After his sermon on Saturday he told his people of the sickness and death of his wife and thanked them for their kindness to her while she was with them. There was a large crowd present but all was attention and there was hardly a dry eye to be seen. It was such a sad story to those who loved her. He left here Sunday for a visit to his daughters, Mrs. Drake, near Jynnersville.

Springer of Philadelphia, Pa., when she found that Dr. King's Mew Discovery for consumption had completely cured her of a hacking cough that for many years had made life a burden. ATLANTA DAILY CONSTITUTION.

New Campaign Special Campaign Offer, Only \$1.00.

The Constitution, of Atlanta, Ga., is now offering its Daily and Sunday editions complete to new subscribers, from the date the order reaches that office until November 10th for only \$1.00.

This last campaign offer will take the subscriber beyond and give him the full news of the Presidential election. The period thus covered will be of unusual interest, not only because of the election and the questions pending thereon, but it will be full of events, and guesses at the truth of reported events in China. The struggle is on between the "yellow devils" and the "foreign devils" and it will consume the world's attention for many months to come. It is probable that South Africa will become peaceful on a basis that will allow the spunky Boers to lay down their arms with honor. Cuba and the Philippines are with us and until their status is determined their questions will continue to be ours. The Constitution always covers all the news completely and this exceptional offer will doubtless test their full capacity in supplying the paper to thousands of thirsty subscribers.

Longer you will get the paper for your dollar.
