

COMMUNITY CLUB IN SNAKE BITE Bertie County's First Consolidated School

In 1804 under the inspiration of Democracy preached by Thomas Jefferson, a church was organized by the Baptists of the Lumber Bridge section, and given the name of Republican. The Republicanism of Jefferson's day is the Democracy of our day. It was not a political party, but a state of society; the relation men should bear to each other; equal opportunity. The Republicanism of our day is strictly political. It carries with it no semblance of Jeffersonian Republicanism. Names are queer things. Labels often mislead.

A few years ago I urged my Snake Bite friends to vote a special tax and to have a better school. I drew a picture of an ultimate consolidation of several schools; a well equipped high school at Republican Church where the boys and girls could fit themselves for college on equal terms with the town and city boys and girls. "It will never be," said several doubters. I asked that my property, very remote from the scene, be included in the boundary of the special tax district. The tax was voted. The heaven began to work. Consolidation came. A well equipped brick building was erected. The trucks began to haul. A faculty of six commenced to teach. The first class to complete the eleventh grade was certified on May 13th. I lay no claim to these results. I simply rejoice that I am seeing the fulfillment of a prophecy. It takes no wisdom to see that such results will ever follow such causes. On Friday night, April 30th, I was highly privileged to attend

two meetings at Snake Bite; one the monthly meeting of the Community Club, and the other the banquet of the Senior and Junior Classes of the high school. No more significant event occurred in North Carolina that night.

The Community Club has been organized some weeks. It has in its keeping the general good of the community; homes, roads, school, health, pleasure, well being of all the citizens of the township. "Big program," you say. I reply "Yes, but little programs get nobody any where." Little results flow from little efforts; like no results come of no efforts.

Mrs. W. F. Early is the very able President of the Club. She is an experienced leader. We all know her splendid work about Bertie County in Home Demonstration work and other fields. The roll call by Miss Grace Brown was answered by a large number. The custom of the club is to have a response from those answering the roll call; the giving of a helpful suggestion for community betterment. A variety of suggestions came, better roads, a fuller faculty for the school; organization for the community fair; raising home supplies; butter eggs, milk, chickens, quit buying what can be raised; more horse power and machinery and less man power going to waste; electrical power for rural homes; more reasonable enjoyment for the young people; a well kept cemetery. Other good suggestions escaped me. The whole gamut of betterment was sounded. Messrs A. V. Cobb, Thomas Alston; Cling Bezemore,

Mr. and Mrs. C. W. Spruill, Thomas Barber, Lonnie Bezemore and others of the club and Supt. H. W. Early were prominent in helpful suggestions.

It is known that I will probably represent Bertie County in the next legislature. If so, I shall introduce a measure which I have in preparation creating regulations for community development; and assigning to the Departments of Education and Agriculture the duty of organizing and sustaining such clubs; and giving to such clubs a voice and control in the local affairs of the township; restoring to the people local self government in their own development, social, education and domestic.

The banquet of the classes was held in the splendid auditorium. The long table was beautifully decorated; and displayed the colors of the Senior Class, gold and white. The class flower—white rose—daintily contained a bountiful supply of mints. Supt. R. M. Peele was toastmaster. The following sophomore girls efficiently served—Misses Zula Cobb, Emily Bezemore, Ivory Bezemore, Bessie Newsome, Virginia Barber and Edna Earle Harrell.

The menu was most appetizing. I was informed that Mrs. Laura Bezemore, Mr. W. F. Early and Mrs. Thomas Barber

To Stop a Cough Quick
take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues. A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup. The Healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pen-Trate Salve through the pores of the skin soon stops a cough. Both remedies are packed in one carton and the cost of the combined treatment is 35c. Just ask your druggist for HAYES' HEALING HONEY.

assisted in the service. Lou Lyon Craig of the Junior Class toasted the Seniors. This brought a response from Miss Estelle Jones of the graduates. Clinton Whitaker toasted the faculty, and was responded to by Principal R. M. Peele.

These toasts and responses were in rhyme and brought applause. Mr. H. W. Early responded to calls and urged the special tax increase. I was honored by a call and responded.

A most gratifying situation was the outpouring of compliments for Mr. Peele and his excellent faculty—Misses Vashti Hoggard, Grace Brown, Elizabeth Whitley, Nellie Edwards and Ellen Marshall.

The failure to keep Mr. Peele at the head of the school will be a serious loss. I stated there, and state here, that he has one of the best organized schools, with organized community backing it, in rural North Carolina. The Community Club should see to it that he remains.

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

Although it is bigger and more rugged than other low-priced cars, Chevrolet has a world wide reputation of costing less to own and to operate!

This reputation has been won, first, by the longer life, slower depreciation, and freedom from repair that result from Chevrolet's modern design—and, second, by the oil and gas economy of Chevrolet's powerful valve-in-head motor.

Hundreds of thousands of Chevrolet owners will tell you this car is not only powerful, speedy, comfortable and smart appearing—but that you can enjoy its exclusive advantages at a cost which is lower than you imagine. Come in—get a demonstration and let us show why this is true.
