CITY COMMISSIONERS MEET

te had to turn them

The city commissioners held their regular monthly meeting here Monday. The board composed of Mayor Bushall, Commissioners Duncan, Ford Gardner, Huntley and Lewis showed all present.

There was no business of unusual interest transacted. The report of McCrary and Company as to the cost of finishing the sewer and water systems has not yet been made. Richard Camp applied to the board for assistant engineer for the power and water plant. His application was orp- dered filed for later consideration. Is A motion was passed to send the Pittsof burg Meter Company a 90 day note at amounting to \$1169.64 to pay for melled ters. The Clerk was instructed to write the La France Engine Company to about some fire ladders which were eau- shipped here by mistake some time en- ago, with a view of buying them. built The Board ordered that the lights

ARTICLE IV

Mr. Wood, owner of the Gar, is an enthusiastic yachtsman and as he is a wealthy manufacturer of Detroit is able to gratify his inclinations in this respect. Besides the Gar he owns the hydro plane Miss America I and Miss America II. The first of these raced a year or so ago in English wattenance of their rights in relation to ere and cleaned up everything there making a record of 78 23-100 miles per hour. The late Miss America is said to have aspeed of 90 miles per hour. These boats are not equipped with wings but they travel on the water about as fast as aeroplanes can fly.
