IN MEMORY.

of Mrs. J. R. Jinnett who died August 22nd, 1924.

A precious one from us is gone,
A voice we loved is still,
A place is vacant in our home,
That never can be filled.

Dear mother, I feel you did not want
to leave us,
Though you had to go,
So, I hope you have crossed the shining
river
Where pain and sorrow are no more.

You have gone and left us,
In this troublesome world to mourn
But we know you are with Jesus
Sitting around that beautiful
throne.

'Neath a mound of blooming roses,
Cold in death our Mother lies
But her Spirit is with the angels,
In that home beyond the skies.

Dear Mother, thou are gone to rest,
And this shall be our prayers,
That when we shall reach our journey's
end
Thy glory we may share.

Mother you have been gone almost a
year,
Still when I think of you,
I drop a tear.

Life is so sad and lonely,
Here without you, we miss your
loving face,
Yet we hope to meet you,
In that Heavenly place.

DEER HUNTING LAW.

This is to notify all persons who are interested in the deer hunting law that the same was changed by the last General Assembly. The open season for hunting deer is, I am informed, from October the first to January the first. This is considerably different from the old law. All persons who violate this law will do so at their peril as I will endeavor to enforce it. As soon as I get further information I will publish the same.

B. F. PERKINS.

FISHERMEN HAVE GOOD LUCK.

Sportsmen have been meeting with more success fishing recently than they did during the early summer. A good many Spanish mackerel have been caught by trawlers and other sorts of fish have also been caught, rather freely. A party from the Davis House went out to the Cape this morning and near the wreck of the Thristleroy caught about a hundred porgies, flounders, trout and other kinds. Those in the party were Judge D. H. Bland of Goldsboro, Messrs B. Streeter Sheppard of Raleigh, A. H. Graf of Salisbury and A. B. Cooke of Beaufort.

Tom Tarheel says he is planning to attend the picnic at his Branch Experiment Station farm this year. One idea gained last year has been worth a lot of money, he says.

Jack and Jill went up the hill—
Not for a drink of water—
And that is why they both fell down—
They drank what they hadn't ordered.

Atlantic extends a welcome to all her visitors at all time. There is to be a play given by Epworth Leagues for benefit of M. E. Church Friday night July 31st. The players are noted for giving entertainment so come see this "Valley Farm." Mr. Norway Morris who came home for a few days has returned to his work in Norfolk, Va.
