

If any Segment of the Spine

is in an abnormal position (subluxation) pressure is produced on the nerve trunks at that point and disease develops.

The subluxation is determined by palpation and nerve tracing. Scientific Adjustments removes the cause and enables Nature to restore you back to Health.

Have You had Your Ride in the Better Buick

You may think you know Buick and Buick performance from having driven Buicks in the past. But you are destined to undergo a new motoring experience—you will discover a new Standard of Performance!

A performance wonderfully improved; 75 horsepower and more to meet the "go" in traffic and to take any hill in high. Engine dependability further insured by the three new seals for the famous Buick Sealed Chassis: air cleaner, gasoline filter, oil filter. Buick approved mechanical 4-wheel brakes for the constant protection of your family and yourself.

Thousands of people are taking rides in the Better Buick every day. If you haven't time to drop into the show room, a telephone call will bring one to your door.

WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM

G. W. Duncan

REPRESENTATIVE

GLOUCESTER NEWS.

Rev. and Mrs. E. W. Glass of Kinston, motored here Saturday, accompanied by Mr. Glass's mother of Raleigh, and are spending several days with Mrs. Glass's sister Miss Sallie Chadwick.

Mrs. Hurley and daughter Shay of Morehead City were the guests of Mrs. R. J. Chadwick for a few days this week.

Mr. and Mrs. Charlie Pigott and family of New Bern motored here Saturday to spend some time with relatives and friends.

Mr. Nat M. Smith left Monday for Florida.

Rev. B. Moore and Mr. and Mrs. D. Moore of Troy, who have been visiting Mrs. R. J. Chadwick left for home Friday.

Messes Lillian and Josie Pigott after having finished Summer school have returned home.

Mr. Clyde L. Whitehurst, who has been camping at Cape Lookout came home Sunday.

Quite a crowd of young people from Straits and Gloucester attended the "movies" at Marshallberg Saturday evening.

Mr. and Mrs. J. S. Pigott, and son Dan, Mr. Jimmie Chadwick and daughter Maggie left Monday by motor cars for Charleston, S. C., where they will spend a week with relatives and friends.

Miss Eva Stewart, who has been attending Summer school at Greenville returned home Friday.

Mr. Anson Davis of Davis was in our neighborhood Sunday.

Miss Aleeze Leffers after having finished Summer school at Chapel Hill returned home Sunday, accompanied by Miss Thelma Johnson of Florida.

Mr. Mason Chadwick is having a new house built at Marshallberg.

Miss Doris Pigott gave a very delightful party to her many friends at the home of her parents Mr. and Mrs. Hubert Pigott Monday evening last. The special feature of the occasion was the beautiful string music rendered by Mr. Jesse Guthrie of Marshallberg.

DEATH OF MRS. A. B. DAVIS

Davis, N. C. Aug. 31st—The death of Mrs. A. B. Davis was indeed a sorrowful one. It took place last Thursday morning at her home at 6 o'clock. When the golden sun was rising above the horizon with peacefulness and calmness and sending its far reaching rays over the earth her Master said so gently and so softly "Come" and she responded to the call without a murmur. She had done her duty; it was time for her to go.

She was a sweet woman and was loved by all who knew her. She has made many friends during her stay on earth. She was a member of the Free-will Baptist church and had long been a faithful worker for her Master.

The funeral services were conducted at the church by Rev. Simon Styron at 9:30 Friday morning after which the body was taken to the cemetery and a few words of sympathy were extended to the friends and loved ones by Rev. E. A. Paul of Lumberton, N. C. and the closing prayer was given by Rev. G. P. Lanier, pastor of the Baptist church of this community.

Mrs. Davis was reared in this community and has always lived here except for a few years she lived in Washington and New Bern. She was forty three years old and always was found at the post of duty doing her best always. A better woman in every way could nowhere be found. She was a devoted wife, a loving mother and an affectionate daughter and sister. She is survived by a husband, two children, a mother, three sisters and a host of friends to mourn her loss. We extend to them our heartfelt sympathy and deepest regret.

A FRIEND.

MERRIMON NEWS.

The weather is fair now and not too cold nor too hot.

Alex Nelson of Bridgeton was in our burg Sunday visiting his sister Mrs. H. M. Carraway.

A Mr. Neal was in our community last week delivering some very nice pictures that had been enlarged.

Rev. J. M. Carraway spent the 5th Sunday at home with his family.

Miss Blanch Mason is visiting relatives and friends at Pamlico.

Mr. and Mrs. Will Paul have been over this week with Mrs. Paul's sister Mrs. Martha Mason.

Mr. W. M. Carraway of Norfolk came over last week to visit the old home and brothers Messrs E. F. and J. W. Carraway. He returned home Saturday.

Mr. Overstreet, our county agent was over one day last week.

A very large bear, judging from the size of his tracks, got in J. M. Carraway's hogs one night last week and eat up a brood of pigs for him, and bit the sow up badly.

Milton Carraway and his sisters Mrs. Archie and Mrs. W. M. Carra-

way and two of their girls of Norfolk have been with us several days. They left Monday afternoon for Beaufort where they will make a short stay before leaving for home.

Mrs. D. M. Salter is spending some time at Tuskora with her sister.

Mr. D. M. Salter and his daughter Miss Mildred, Mrs. M. E. Ball and three or four girls motored to Beaufort Sunday afternoon and spent a short while.

Capt. Alex. Truit returned Sunday afternoon after spending the week end at Beaufort with his family.

Elder Walter Guthrie came over Monday and is engaged in a protracted meeting at Lukens.

Miss Neta Carraway spent last week at New Bern with Mrs. L. T. Smallwood.

Mrs. E. F. Carraway returned from her trip to Raleigh Saturday via Beaufort.

WILL PLACE BUOY AT THISTLEROY WRECK

Harker's Island, August 31st. While Capt. Mart Lewis was running for Cape Lookout Shoals one day last week he was hailed by a steamer in the slough. As he hove too he found it to be the buoy tender searching for the sunken steamer "Thistleroy" and Capt. Lewis knowing exactly where it was took him to it. The officer in charge said a buoy would be placed on or near it. It will be a fine thing as parts of the ship extend almost out of water and is dangerous to small boats as well as large ones.

Two more cases of appendicitis, Misses Eva Willis and Mary J. Guthrie left Thursday and Friday for the Morehead City hospital for treatment.

Capt. Walter Lewis after an extended trip to Diamond Shoals reports a tremendous lot of Spanish mackerel and fat backs.

Mr. Sam Salter returned this week from Hollywood, Fla., where he has been for three months working as carpenter. He is going back in the "Dorris" his little boat only 25 feet long and 6 horsepower engine.

Miss Clara Davis and Miss Blanche Yoemans have returned from Swansboro where they have been visiting their people for three weeks.

A large number of folks motored (in boats) to Broad Creek today to attend the Baptist revival there. The members of the church will soon begin on a church here.

Bradford Nelson has returned from Philadelphia where he has been with his sister four months or more.

Our preacher is away today and we have not heard the sound of a church bell today, it being the first Sunday in fifteen years such has occurred.

Mr. and Mrs. Charlie Russell are back home again from Wildwood where they have been for some time.

Mollisa Guthrie of Marshallberg is visiting her sisters here this week.

Mr. Roy Littleton who has been visiting his parents at Jacksonville returned today.

Mr. Dan Yoemans and family took party over to Marshallberg today. They reported a fine time.

Capt Walter Yoemans was home for a few days from Penny's Hill Coast Guard station. He motored here in a new car he has just purchased.

With fine weather and clear weather the fishermen are expecting some good catches of Spanish mackerel this week.

In selecting seed corn in the field, be sure that it is free from disease, that it has good sound ears and a good shuck covering, and that the high yield is not due to special advantages, say agronomy workers of the State College extension division.

Farmers who poisoned the boll weevil according to methods advocated by the Agricultural Extension Service now have complete control of the pest. Infestation counts run from nothing to 10 percent where poisoning was done right and from 25 to 75 percent where no poisoning was done report some county agents.

Low acre yields are to be expected throughout the State this year according to agricultural workers of State College. Drouth in some of the best counties is responsible for this condition.

The spring lamb is the most profitable farm product on many farms in North Carolina. However, this lamb must be born early and fed well to make the most profit say livestock workers.

The County Commissioners of Hoke County purchased a car of calcium arsenate for use by farmers in fighting the boll weevil. By ordering the poison in this way, farmers were saved \$792 on the purchase price reports County Agent L. B. Brandon.

Wild People

A great many people have gone wild on the subject of Florida real estate. Thousands are flocking down there to look and some to buy. Those who invested several years ago before the boom started, have in many instances made large fortunes. Those buying at the high prices will not find it so easy.

The Early Bird Gets The Worm is an old and true saying and this applies to real estate as well as to other things. Those who have the foresight to see a little ahead are the ones who are successful. The time to invest in real estate is before a boom starts. After prices have shot up to the sky you cannot expect to make much of a profit. Get in front of the parade—do not bring up the rear.

West Beaufort Lands

are going cheap now. In a year or so today's prices will look like giving land away. Then those who bought in time will be sitting pretty. As sure as you live a boom is getting a start here in Carteret county. Pay no attention to pessimists and knockers. They never start any thing except a grouch. Have faith in this country because it has advantages that no other section enjoys. Outsiders are already turning this way. In another year the big rush will be on. Our low prices and easy terms make it possible for any one to acquire a lot. They are going fast but we have some very desirable ones left yet. Let our representatives show them to you. It does not cost anything to look around.
