

Loud speakers are to be installed on Japanese railways so conductors will not have to shout so loudly in calling stations. A case of twins in Mullusca is very rare but three pairs of such "twins" were found on the Pacific Coast in the summer of 1923.

Though there is a widespread belief that stars can be seen from a mine shaft or wall in the daytime evolved from a tail, some species of apes have a tail than man himself. In the matter of getting rid of them, they having less of a tail than man himself.

"COMMON SENSE" is not COMMON, BUT RARE

This is proven by the masses of people who are spending all they make and more to "have a good time."

No "common sense" person can have a real good time unless they have at least a moderate bank account to fall back on in case of an emergency. Emergencies come to all sooner or later. Be ready for them financially by having at least a little "laid by" in a Savings Account.

The Greensboro Daily News

A progressive newspaper published in a progressive state for a progressive people.

With a record of service and achievement in the past, we want you to know also of our plans for the future. Effort and money will not be stinted in giving you a well-balanced, newsy, virile, dependable daily paper; doctor, lawyer, business man or laborer, you will need this "newspaper for all the people."

Independent in politics, our policy calls for full and unbiased news and views touching all questions of interest to the general public and the state's progress and welfare. A wonderful growth in circulation each year is our assurance that, more and more, the people who think for themselves are turning to an independent newspaper.

Subscription rates are as low as the present day cost of publishing such a newspaper permits.

Six months, daily and Sunday, \$4.50
Six months, daily only \$3.50

GREENSBORO, N. C.

HARKER'S ISLAND ITEMS.

The death of Mr. Tyre Moore's baby about a year old occurred this morning about 6 o'clock. It had been sick for several weeks and everybody thought it had pulled through as it seemed to be getting better.

The largest gathering Harker's Island has had for some time it had today when two big boat loads of people landed and entered the church at 11 a. m. headed by Mr. Henry Willis from Gillikin, N. C. The church and grounds were all filled and there was some good signing as could be expected by any choir in the county.

Notwithstanding so much sickness and death when everybody turned out they had a real good time.

Miss Lena Lewis left last week for Washington, N. C., where she will attend school this season.

The Reverend Eric Gaskill filled his regular appointment here today. He preached a good sermon to a large audience.

I guess our road is about fixed now. Someone saw Roy Fulford with some sap boards. He must have been going to nail the ditches together.

Papa says he don't believe we are in this county no how. He says it don't give us no school nor nothing else so we must be living some where else.

All are glad to see Miss Madeline Willis home again from the hospital where she has been under treatment for some weeks for appendicitis.

Capt. Walter Yoemans, Donnie Yoemans and Tildon Davis motored to Norfolk leaving here the 21st where they will stay some time.

We have been having fine but hot weather for two or three weeks.

Mr. M. P. Guthrie of Hatteras Inlet C. G. Station reports by telephone a big lot of fatbacks outside.

It was reported that Mr. Bradford Nelson and Miss Beulah Davis left here at night without their parents or any one else knowing it and today they returned alright and married according to reports.

BAY VIEW ITEMS

Mr. Robert Willis of Newport and Miss Beatrice Belcher of Mill Creek were quietly joined in wedlock Saturday afternoon at the home of Mr. G. W. Winberry in the presence of a few friends. Immediately after the wedding they left for Newport where they will make their home.

Mrs. Bennie Bell of Mill Creek left Saturday afternoon for Kinston where she will stay awhile.

Miss Maymie Lee Dowdy of Bay View spent Saturday and Sunday at Newport visiting her brother Mr. Laddie Dowdy.

Mrs. Carrie Currie had quite a misfortune the last time they dipped as her fine milk cow did not live but a short while after they got home. It is supposed that she drank some of the dipping vat water.

Mr. and Mrs. B. A. Oglesby and children Edna and Leo and Miss Clara Oglesby made a business trip to Morehead City and Beaufort last week.

Quite a number of people from here went to Newport Saturday shopping.

Mrs. Rena Merrill and son Robert went to Newport Saturday shopping. Quite a number of Morehead City people were visitors at Mr. and Mrs. Joe Merrill Sunday.

The stilt sandpiper has been seen in Washington only twice since the city was founded.

No one knows who discovered that the world is round, but it was after the time of Thales and before the time of Aristotle.

Indians of Glacier National Park raised enough wheat last year to keep two government-built flour mills grinding this grist.

Delaware still uses the ancient whipping post.
