### BAY VIEW ITEMS.

We are having some very changeable weather at present.

Mr. and Mrs. J. T. Graham and children went to Morehead City Saturday shopping.

Mr. Roy Dawdy went to Newport Saturday visiting his brother Teddie. Mr. Otis Culpepper is on the sick list at present.

There are three more of Mr. Geo. E. Rouse's children that are ill at present with the mumps.

Messrs. Thomas Earl Elliott and Edward Hill of Newport spent a short while here Sunday.

Quite a large number of people attended the candy party at the home of Mr. C. H. Haskott's Saturday night.

### CHANGE OF LIFE

Virginia Lady Improved After She Took Cardui.

"I had been going through the change of life and it seemed to me that everything got wrong," says Mrs. Deala Hawks, of Bristol, Va. "I suffered from shortness of breath and I could not go up the steps without stopping to rest several times.

"When I would try to hoe in my garden I would soon give out. I could scarcely hoe two rows before my breath was coming in gasps.

"My sister-in-law had taken Cardui and she thought it might do me good, so she told me to try it. I got a bottle (of Cardui) and began to take it by the directions and I began to improve after a few doses. My general condition was so much better after the first bottle that I got another, and another, until I had taken six. Now I am a well woman.

"Cardui is a great medicine. Since I took it I feel like a new woman. I had had female trouble for years. I am glad to recommend to other women a medicine which has helped me."

At all drug stores.
