FOR OVER 40 YEARS  
HALL'S CATARRH MEDICINE has been used successfully in the treatment of Catarrh.  
HALL'S CATARRH MEDICINE consists of an Ointment which Quickly Relieves by local application, and the Internal Medicine, a Tonic, which acts through the blood on the Mucous Surfaces, thus removing the inflammation. Sold by all druggists.  
F. J. Cheney & Co., Toledo, Ohio.

**BILIOUSNESS**  
Retired Minister Tells How He Keeps in Good Form.  
The Rev. Lewis Evans, a well-known retired minister, past 80, living at West Graham, Va., says:  
"For years I had been suffering with my liver. Sometimes the pain would be very intense and my back would hurt all the time. Black-Draught was the first thing I found that would give me any relief."  
"My liver has always been sluggish. Sometimes it gives me a lot of trouble. I have suffered a lot with it—pains in my side and back, and bad headache, caused from extreme biliousness."  
"After I found Black-Draught, I would begin to take it as soon as I felt a spell coming on and it relieved the cause at once. I can recommend it to anybody suffering from liver trouble. A dose or two now and then keeps me in good form."  
Made from selected medicinal roots and herbs, and containing no dangerous mineral drugs, Black-Draught is nature's own remedy for a tired, lazy liver.  
Sold everywhere.

**CHRISTMAS SWEETS.**

Raleigh, N. C. Dec.—"Christmas is not only the season of giving but also the time when the children are home from school and enjoy making Christmas candies," says Maude E. Wallace, Asst. State Home Demonstration Agent, "and feel that it is good to use some of our home grown products such as pop corn and peanuts."

Miss Wallace gives the following recipes as being especially adapted for the use of these home-grown products:

**Pop Corn Balls**  
(All Measurements Level)  
1 cup corn syrup (Karo); 1-2 cup sugar; 1-2 teaspoonful soda; 4 qts. pop corn.  
Boil syrup and sugar to the soft ball stage; add butter and soda. Pour over popped corn, cool and shape into balls.

**Peanut Brittle**  
(All Measurements Level)  
2 cups sugar; 2 cups parched peanuts. Melt sugar in a shallow pan. When it becomes a golden brown syrup, add the nuts. Pour into a buttered pan, press into shape and set away to harden.

**Fondant**  
5 cups sugar; 1 1-2 cups water; 1-4

teaspoonful cream of tartar. Cook to soft ball stage (238 degrees F.), let cool until it begins to look whitish around edge of platter. Then beat until creamy. Form into balls, wrap in oiled paper and cover in tight jar for two or three days. Then form into shapes desired. Fondant may be used in combinations with nuts, cherries, raisins, dates figs; or may be dipped in chocolate.
