GREETINGS

Every one connected with this bank wishes for you the happiest possible Holiday Season.

We wish we might send each one of our customers and friends an individual greeting, but we are too busy. We are busy trying to give you the service for which this bank has become noted.

We appreciate very much the business you have given us this year and our very earnest hope is that the year 1926 may be even better for each of you.

Do not forget that a new interest quarter begins in our Savings Department January 1st. Start the New Year right by opening a Savings Account or adding to the one that you already have.
