A Very Important Announcement To The People Of Eastern Carolina

Save Your Time And Money - Buy The Best For Cash For Less!

On February 1st, 1929, this store will go on a cash basis—buying for cash and selling for cash—this news will be received with delight by our thousands of customers for it is a well known fact that a concern selling for cash can sell at lower prices and give better values—and every one living within a radius of fifty miles of New Bern will gladly testify that Coplon's is always anxious to do everything possible for the benefit of its patrons.

For years and years this great concern has stood before the public—an institution built upon the foundation of confidence, strict integrity and fair dealing, stating the truth in its advertisements, and inculcating in its employees the necessity of truthfully representing the merchandise offered for sale, always the leader in establishing the tenets of high and scrupulous frankness in business and unrelentingly maintaining this.

Only a few things improve with age. Service being rendered continuously for years becomes better and better as a result of studying a community's needs. Quality and value plus service go hand in hand. A firm may be ever so courteous, ever so obliging, but unless its merchandise is of dependable quality and offered as low or lower than it can be obtained elsewhere—its service does not count for much.

Quality plus service is, and always will be this store's ideal. Just how well it has attained this standard may be judged by its growth—from a very small beginning to the largest establishment in Eastern Carolina, and now comes this, one of the greatest events in our history—the turning from CREDIT to CASH—and offering matchless savings. Right now large shipments of new spring merchandise is arriving daily and are being marked at lower prices than ever before.

This selling for cash will prove to be an outstanding event. We intend to make this season the greatest of our career—we are going to establish our reputation even to a greater extent and more generally with our old customers, besides cementing friendship with hundreds of new families. This season we absolutely guarantee you the best values that we have ever offered.

Watch for our huge February poster, which you will receive shortly, or better yet, come in and see the matchless combination of Style, Values and Price that awaits you in our new spring displays.

We invite your comparison, in order that you may see with your own eyes that quality for quality and price for price you can "Buy It For Less" at Coplon's.

The Coplon Co. Inc.

"Eastern Carolina's Greatest Store"

NEW BERN, N. C.
