 Meets every Friday night at 7:30 o'clock. Visiting Brothers are cordially invited to attend these meetings.

Hold State Conference Of Extension Workers

(By F. H. Jeter)
 Raleigh, Dec. 30—County agents, home agents, extension specialists and members of the school of agriculture at State College will hold their annual conference at State College during the week of January 6 to 11 at the call of Director I. O. Schaub. In addition to making plans for the coming year, reviewing the activities of 1929 and learning of new developments in the field of agricultural research, the extension organization will devote much of its time to developing plans for the live-at-home campaign and the long time program of agricultural development. During three days of the week, on January 7, 8 and 9, the farm agents will meet with the Southern Livestock As-

sociation which holds its 17th annual meeting at State College this year. Some of the more notable livestock folks of the South will discuss important livestock questions on the program of this association and the extension specialists and others will have the opportunity of hearing these authorities.

The county agent news contest will also be conducted during the week. It is expected that 50 or more farm and home agents will bring exhibits of their press material to the conference. The Charlotte Observer of Charlotte has donated a beautiful silver trophy cup for the agent who has done the most effective work in presenting the agriculture of his county to the people.

A banquet on Tuesday evening given under the auspices of the Epsilon Sigma Phi fraternity and with Dr. Bradford Knapp, President of Alabama Polytechnic Institute, as the speaker will be one of the main so-

cial events. Every extension worker and his wife or her husband will attend this gathering. The livestock organization will also hold a banquet on Wednesday evening, January 8, when Governor Gardner and President Brooks will be the principal speakers.

Tarheel farmers are reclaiming and treating their tobacco seeds in preparation for planting the seed beds.

More than 200 farm men and women of Pitt County attended the recent live at home banquet held at Greenville.

During the last 20 days of October the new Farmers Warehouse at Marshall in Madison County did a business of \$1,760. In November the business done amounted to \$1560.

- Chevrolet announces

THE GREATEST CHEVROLET

IN CHEVROLET HISTORY

Today, Chevrolet presents the Greatest Chevrolet in Chevrolet History—a smoother, faster, better Six—with beautiful new bodies by Fisher.

Basically, it is the same sturdy, substantial Six which won such tremendous popularity in 1929. But it is a greater car in every way—for there are scores of vital improvements which contribute to comfort, performance, endurance and safety!

An improved six-cylinder valve-in-head motor, with its capacity increased to 50 horsepower; four Delco-Lovejoy hydraulic shock absorbers; fully-enclosed internal-expanding weather-proof brakes; a new dash gasoline gauge; heavier and stronger rear axle; new Fisher non-glare windshield; larger tires—

—these are typical of the many improvements which make this car the Greatest Chevrolet in Chevrolet History.

But most impressive of all—this smoother, faster, better Six has been made available—

-At Greatly Reduced Prices!

During 1929, more than a million three hundred thousand persons bought six-cylinder Chevrolets. This enormous volume has made possible many savings in the Chevrolet factories—and, in keeping with its long-established policy, Chevrolet is sharing these savings with the public. No written description can do justice to the extra value and quality provided in this new car. Visit your Chevrolet dealer—see this car—ride in it—and judge for yourself its sensational value.
