MORE THRILLING THAN EVER

He sings, makes love for you. The entertainment idol of the world—Maurice Chevalier. Here's the production that amazed New York! The screen's first original musical-romance. Tuneful! Sophisticated! Hilarious! The roughish romance of a beautiful queen. An engaging, exciting cast. Dazzling costumes. Lovely women.

WARNERS INSURE

"NOAH'S ARK" CAST

A completely equipped hospital with two nurses in daily attendance was fitted up by Warner Bros. in preparation for the filming of the spectacular Vitaphone super production, "Noah's Ark," showing at the

Wade's Theatre.

Every precaution to prevent accidents was taken in view of the fact that more than 10,000 persons participate in many of the thrilling scenes.

The hospital was entirely separate from the first aid station on the 38-

acre auxiliary studio being devoted exclusively to the filming of Noah's Ark, the latter serving for the big staff of skilled workmen employed in construction work on the imposing sets utilized in the opus.

Doris Costello is starred in "Noah's Ark" with George O'Brien in the leading male role. The story is by Darryl Francis Zanuck. Michael Curtiz directed.

will begin at 7:45 and will take place in the school auditorium. The public is invited to attend.

BURLINGTON MAN BUYS HOME

Rev. and Mrs. H. A. Welker, and Mr. and Mrs. Mitchell Clark of Burlington were here Wednesday on a business trip. The Welkers own a summer home on Live Oak Street and Mr. Clark purchased the George Week's house which is adjacent to it from Mayor C. T. Chadwick. Mr. Clark will completely rebuild the house and use it for a summer residence. He is a furniture dealer in Burlington.

The two penitentiaries are overcrowded, but they don't turn away any new recruits.—Knoxville Express.
