IDEAL GIFT FOR THE BOY

What glorious adventures boys between the ages of ten and twenty have reading THE AMERICAN BOY—YOUTH'S COMPANION! As if by magic, this well-known magazine carries boys to distant parts of the world, introduces them to strange people, lets them experience queer customs and revel in the adventures of foreign lands.

In a single issue, a boy will battle the frozen Northland with sled and dog team, cross Indian-haunted plains in a prairie schooner, zoom over war-torn lands in an army plane or on dangerous routes with a U. S. mail pilot, hunt wild animals in Africa atop the swaying back of an elephant, go cruising in a battleship, fight Arab raiders with the Foreign Legion and participate in many other thrilling experiences that come to readers of THE AMERICAN BOY—YOUTH'S COMPANION.

It is such experiences as these that sharpens a boy's wits, kindle his imagination, strengthen his character, develop his understanding of the world in which he lives and of the people that inhabit it. Here, indeed, is the ideal gift for that boy in whom you are interested—that son, nephew, cousin, neighbor, or, perhaps, the son of a business associate. An attractive gift card bearing your name will be sent to the boy if you request it with your order. Then every time

the mailman brings the magazine to his door, the boy will think of you gratefully.

Subscription prices are only \$2.00 for one year and \$3.00 for three years. Mail your order direct to THE AMERICAN BOY—YOUTH'S COMPANION, 550 W. Lafayette Blvd., Detroit Mich. Service on your subscription will start with whichever issue you specify
