

**Carteret County SPORTS**

By J. W. STEWART

Smyrna is now the only High School in the county without a gym. A leading citizen of the community has been before the Board of Education and asked for a gym. Several other patrons of the school are reported to have been in conference with Supt. Allen concerning a gym. However, to date, there has been no assurance that a gym will be constructed there in the near future.

Stewart

There are some in the community who are saying that attention should be focused on the school building itself which is badly in need of repairs. The roof leaks, and the wiring system has several short circuits. On last Friday night when the senior play was presented, no lights could be had at the entrance or in the halls due to diring difficulties. However, the repair of the school proper and the building of a gym are in different categories altogether, and the sooner that the patrons of the school realize this and one body strive for the erection of a gym the sooner will their goal be realized.

**BEAUFORT**

Beaufort played Bridgeton at Bridgeton on Tuesday, February 2. The game was played in the auditorium of the school which is about the same size as that of the Smyrna auditorium. Any team which is accustomed to playing on a regular playing court is handicapped by a small court. The Bridgeton Sextet defeated the Beaufort Sextet by a score of 35 to 12. Safrit was the outstanding offensive player scoring 8 of her teams 12 points. V. Wooten was best for Bridgeton scoring 21 of her teams 35 points. The Bridgeton boys defeated the Beaufort boys by a score of 20 to 7. Conway was high scorer for Beaufort with 5 points while Reel was best for Bridgeton with 10 points.

On last Friday night Beaufort played host to Bridgeton for their return game. The Bridgeton girls again won over the Beaufort girls by a score of 20 to 14. Safrit was again the outstanding offensive player scoring 12 of her teams 14 points. Fake and Mason did some very good defensive work. The Beaufort Boys staged a come-back and won over the Bridgeton boys by the close score of 20 to 19. This was one of the most thrilling games that has been played in the county this season. Hunnings was the leading scorer for Beaufort getting 9 out of his teams 20 points. Conway, Dickinson, and Chadwick did some nice floor work.

**MOREHEAD**

Morehead played host to Newport on last Friday night. The girls game was very close. Newport emerged the victor by a score of 9 to 7. It is reported that the forwards of Morehead missed quite a few. Newport ed the disappointing show that they have been making of late. Piner was high scorer for Morehead with 4 points and Garner was best for Newport with 4 points. The Newport boys however, were no match for the Morehead boys. The final score was 49 to 6. Williams was high scorer for Morehead with 12 points but his team mates V. Paul and Van Horne led a close second with 11 points each. T. Garner was best for Newport with 4 points.

Earlier in the week Morehead played New Bern. The Morehead girls lost to the New Bern girls by a score of 25 to 19. Arendell was best for Morehead with 7 points, while Gower and Mullin led the scoring for New Bern with 9 points each. The Morehead boys, however, did almost as good against the New Bern boys as they did against Newport the last of the week, winning by a score of 50 to 18. Wetherington was best for New Bern with 12 points, while Van Horne led the scoring for Morehead with 20 points.

**Beaufort Graded School News**

**GRADE 1-1**

Valentine will soon be here so we are beginning to decorate our room. We have put up our valentine pictures and the class has learned three Valentine songs. Next week we are going to start making pretty valentines to go in our box.

Every child in our room is so glad that Phyllis Britton is back in school again. We hope that she is not going to be sick another day this year.

All of our children are very interested in their library books. Everyone is working hard to read a number of books so that he can get his Reading Circle Certificate at the end of the year.

**GRADE 2-2**

On January 29 our grade gave the following program in chapel: Bible reading, Norma Gaskill; Prayer-Song by grade; Songs, Morning Bells' Mr. Frog, A Pleasant Chat, Six Little Mice, by grade; Play, "Goldlocks Dream"—characters, Giddlocks, Betty L. Merrill; Belle, Jeane Norcom; Jane, Janet Cooper; Rosie, Virginia Phillips; Nell, Valeria Mae Lawrence Josie, Dorothy Lewis; Ann Betty L. Gatlin; Song, Little Eskimo, Betty L. Merrill.

Announcers: Howard Jones, Kenneth Wright, Thomas Taylor.

We have added five new books to our library—They are: "The Peek-A-Boos At School," "The Peek-A-Boos Among The Bunnies," "The Peek-A-Boos Circus," "Henny Penny," "Mother Goose."

**GRADE 3-2**

We are trying not to have any absences or tardies so we can get another half holiday this month. Each Friday those who have not missed a day get a surprise.

Naomi Hardesty has been sick for a long time and we miss her very much.

Our girls are fixing our sand tables like a Valentine village.

**GRADE 7-1**

Grade 7-1 raised \$10.78 of the \$51.00 raised by the school for the Red Cross. We all feel happy that we could contribute this amount to the victims of the flood.

This week is Boy Scout Week. The Boy Scouts are celebrating their 27th anniversary. We have read an interesting article on the Boy Scouts work. We have several Boy Scouts in our class.

Our class is making interesting booklets on Africa in Geography. We are also making booklets on the

Presidents of the United States. St. Valentine's Day will be on Sunday the fourteenth. We will have a Valentine Box Friday.

Lincoln's Birthday will be Friday the 12th. We have a large picture of him in our room. We will soon include him in our booklet of Presidents.

Edna Avery, Reporter.

**GRADE 5-1**

In history we are reading about people in the colonial days. We have dressed dolls in colonial dresses and have also made bed quilts like the girls made in colonial days. The boys made furniture for the house.

Billy Davis and Hendricks House made a picture of Mt. Vernon. We drew flags that the American people have had since the early Colonial days.

We made booklets showing scenes of old colony days. We have enjoyed this work.

Reporter by Mary Claire and Lucy Belle.

**GRADE 6-1**

Our class has made North Carolina History booklets this week. The booklets are cut in the shape of N. C. and they are very attractive. We have put in them interesting things about N. C. such as the kinds of manufacturing, trees, minerals, crops and various things.

We have re-elected officers for our Literary Society this week. Our new officers are: Pres. Walton Hamilton; Vice president, Dallas Blake; Sec. and Treas. Pansy Mason. Our old officers did well but we want others to get experience too.

We are trying to bring in clothes for the needy. Our class wants to help and we also would like a pass to Paul's Theatre Thursday afternoon. A Valentine program is being planned for Friday. We would like for everyone to see it.

Reporters, Frank Lewis, Jack Allen.

**GRADE 5-2**

We have two new students, Amanda and J. T. Conleton from Ocracoke. The class enjoyed our history classes last week. The girls dressed dolls like George and Martha Washington, while the boys made furniture. Margaret Jarmon is back to school today. She has been absent since last Wednesday due to a sprained foot.

The fifth and sixth grade played ball today.

Helen Dixon, Reporter.

J. M. Greenwood of the Lower Hominy section of Buncombe County says his triple superphosphate gave best results on limed land.

Plant beds in Robeson County have young tobacco seedlings with as many as six leaves at the present time.

**4-H Service Clubs**

By VIRGINIA STANTON

**4-H SERVICE CLUB**

25 members attended the February meeting of the Carteret County 4-H Service Club which was held on Thursday night, February 4th, at the Home Agent's office.

The president, Miss Annie D. Foreman, was in charge of the meeting. After the reports of the various committees, two new committees were appointed as follows:

Ways and Means—Chairman, Virginia Stanton, Sammy Merrill, Ethel Hancock, Mr. S. E. Hayne, Advisor. Scrap Book—Miss Madie Dickinson, chairman; Doris Merrill, Mrs. S. E. Hayne.

"Grooming" was the subject of the night's program. Miss Arniea Wiley introduced Mrs. Bruce Simmons, who spoke on "How To Be Well-groomed." Mrs. Simmons, who is the Home Economics teacher at Smyrna, presented in a most enjoyable way many facts that will be of aid to all who heard her. Miss Wiley then read an article on "Grooming," after which the meeting was turned over to the Recreation Committee. Games were led by Sammy Merrill and Miss Margaret Clark, Home Agent.

The next meeting will be held on March 4th at the Home Agent's office. A covered dish supper will be the main feature of this meeting; everyone is asked to bring his or her favorite food in covered dish to the Home Agent's office just as they did in December. Don't forget Thursday night, March 4th, at 7:45 o'clock.

Virginia Stanton, Reporter.

**Club Adopts Song**

At the February meeting of the Carteret County 4-H Service Club the members adopted a club song. The song, written to the tune of "There's a Long, Long Trail," follows:

**4-H SERVICE CLUB SONG**  
By Virginia Stanton

Here's to our 4-H Service Club work. It's what we're all thinking of

We are using our 4-H's In a way we love. Our heads are thinking of new ideas, Our hearts are loyal and true— Our hands are always busy And our health is o. k. too.

Then come join us while we're singing

Our 4-H Service Song to you We want to make our boys better You can help too. If you'll join our Service Club work And do the best that you can,

We'll make Carteret County Service Club The best in the land

**Get more NO. 1 POTATOES THIS YEAR...**

**USE POTASH**

**TO INCREASE YOUR PROFITS**

**PROFITABLE** yields of high quality potatoes depend to a large extent on the use of good seed and a liberal application of well-balanced fertilizer. Experiment stations and potato growers have found that 1,500 to 2,250 pounds per acre of a 5-7-7 analysis is a good mixture for quality and yield. Plenty of potash in the fertilizer is necessary to fill out the tuber and get the most desirable market type. Potash also makes potato plants less susceptible to disease.

Plan now to get a large yield and more No. 1 potatoes this year by following the practice that investigation and practical experience have proved is best.

It's our family's whiskey, neighbor — and neighbor, it's your price!

**Us Wilkens making music!**

That's Tim Stiles, that works down at the post office, playing on the organ. It's me turning pages and my brother William behind me. And that's my brother-in-law Tom with his hands behind him. Harry E. Wilken

**Folks that sing good say Our Family's Whiskey is the smoothest ever!**

I'm not much of a hand at singing but I get a lot of fun out of what voice I've got. And our Family's Whiskey is such a easy swallowing whiskey—you don't scarcely feel it on your throat. Take that special mildness and the grand tastiness and you got the reason why folks all go for The Wilken Family Whiskey. As you know, we've been a family of distillers for years. And the Wilken Family Whiskey has got the very best that Grandpa Wilken and Pa Wilken and all of us ever learned relating to what makes whiskey tasty and mild. When you get it, you know you're getting the exact same whiskey as us distillers enjoy amongst ourselves!
