

Time Off From the Spanish War

Two loyalist militiamen in the front line trenches before Madrid crouch behind their sandbags and read two books they picked up on their way up from the rear during a temporary lull in the fighting. The man at the left has kept his gun in place, and the other has his where he can get it quickly.

World Famous Dancing Couple

Ginger Rogers and Fred Astaire

In the above photo Ginger Rogers and Fred Astaire are shown in a domestic setting, quite different from the dancing role which made them famous. They start in "Shall We Dance" coming to Beaufort Theatre on next Sunday, Monday and Tuesday.

4-H Service Club

The Carter County 4-H Service Club held its regular monthly meeting at the Home Agent's office on Thursday night, June 3rd. "Personality" was the topic for discussion. Games were directed by Miss Margaret Clarke, Home Agent, and Miss Madie Dickinson, chairman of the recreation committee. Virginia Stanton.

Hay mixtures of barley and crimson clover and of oats and crimson clover are returning yields of from 2 1-2 to 3 tons an acre in Rockingham County.

The two terracing units in Gaston are operated in close cooperation with the local CCC camp with excellent results in controlling erosion throughout the county, says the farm agent.

PORT OFFICIALS ARE REELECTED

Royal Retained As Chairman Of Commission, Crowell as Managing Director

Dr. B. F. Royal, prominent Morehead City surgeon, was reelected chairman of the Morehead City Port Commission at a meeting of the organization here.

No changes were made in the personnel of the commission with the exception of Walter P. Freeman being named treasurer, an office formerly held by George R. Wallace. Wallace still retains the secretarial post.

Other officers elected were: Stanley Woodland, vice president; H. P. Crowell, managing director; W. M. Dutton, general auditor, and E. W. Dozier, traffic manager.

Election of the officials followed the appointment of members of the commission, four of whom are appointed by the Governor and three by the city.

State appointees are Dr. B. F. Royal and H. P. Crowell, Morehead City; L. H. Harvey, Kinston, and J. Y. Monk, Farmville. City appointees are Stanley Woodland, Walter Huffman and G. R. Wallace.

Crowell also is president of Atlantic and North Carolina railroad, Dutton and Dozier also are officials of the railroad.

Since Crowell's appointment the port has shown remarkable growth, handling thousands of tons of scrap iron for shipment to Japan in addition to other cargoes.

In a public statement recently, Mr. Crowell said he expected the metal shipments to continue probably another year, maintaining the inflow of revenue which the new \$2,000,000 port has needed badly since beginning of operation the latter part of last summer.

REAL ESTATE

H. D. Club Meets

The Peletier Home Demonstration club met on Friday, May 28 at 2 P. M. Meeting was called to order by Mrs. J. E. Weeks, club president. The minutes of previous meeting were read and roll called by the secretary. Reports were given by nine project leaders. Miss Clark gave a demonstration on cooking, using recipes from the May lesson sheet—Baked eggs and potatoes, and boiled custard.

There were only ten members present at this meeting and in order to promote better attendance the chairman of membership committee, suggested a contest for the remaining six months of the year, two captains were elected who choose members from the club roll as one would for a spelling match. Each captain with her group will strive to see which will have the highest attendance, visitors to be counted too—at the end of the six months, the winners will be entertained by the losers, he treasurer reported a balance of \$19.11 after giving Miss Clark \$5.35 to be used in the County Council. The meeting adjourned to meet again on second Friday in June at 3 p. m.

FILL THE TANK ONCE
and drive
all day!

FORD "60" OWNERS REPORT
22-27 MILES PER GALLON

THE 60-horsepower Ford V-8 is writing remarkable mileage records on American roads. Private owners and fleet operators alike report averages of from 22 to 27 miles on a gallon of gasoline.

You can fill the tank of your Ford "60" and drive all day—300 to 400 miles—without stopping again for fuel. Besides costing less to run than any Ford car ever built, it sells at the lowest Ford price in years. That's double economy!

The "60" delivers V-8 smoothness and quiet at speeds up to 70 miles an hour. It is built into the same roomy body as the famous "85"—with the same modern features of comfort and dependability that make the 1937 Ford V-8 unquestionably THE QUALITY CAR IN THE LOW-PRICE FIELD.

Ford V-8
"60"

FORD V-8 PRICES BEGIN AT \$529 at Dearborn Factory, Transportation charges, State and Federal taxes extra

This price is for the 60-horsepower Coupe, illustrated above, equipped with front and rear bumpers, spare tire, horn, windshield wiper, sun visor, glove compartment, and ash tray.

\$25 A MONTH, after usual down-payment, buys any model 1937 Ford V-8 Car—from any Ford dealer—anywhere in the United States. Ask your Ford dealer about the easy payment plans of the Universal Credit Company.

They Have Twenty Varsity "Mothers"

Left motherless one month after their birth, these two babies now have 20 "mothers"—each one a coed at Cornell university, Ithaca, N. Y. The babies, Rose Ann (left) and Mary Alice, were borrowed by the New York State College of Home Economics in order to provide subjects for students of the family life courses to "practice" with. But the little ones are being spoiled by their doting "mothers." They are shown here with their first birthday cake.
